BREW

## About Us

Master Brew is a green coffee merchant with a simple mission: to help people discover freshly roasted coffee.

Master Brew is a shop established in 2023 in Dubai, where we sell coffee brands like bonmano and Manovin. We select only the best quality coffee with the heart and soul of the creator to provide you with coffee that will enrich your daily life. We pride ourselves on putting a lot of love and passion into every step we take. To ensure our beans are of excellent quality, we abide by certain principles. Our coffee is:

Always freshly roasted - so you can enjoy it at its optimum.

Always small batch roasted - to ensure quality and consistency.

Always natural - no artificial flavors are EVER added.

We're confident in our beans and can't wait for you to try them. Because Everything Is Better with Good Coffee!

It's safe to say, that once you've enjoyed the immersive aromas, complex profiles and balanced brew of superior coffee, you'll never return to stale, instant coffee again.

We believe that it is our mission to convey the true taste of coffee.

Enrich your everyday life We want you to experience the true taste of coffee.

## BERLIN CITY BLENDS

Berlin blend, a bold and vibrant coffee that captures the spirit of the German capital. This blend is crafted with 50% Robusta and 50% Arabica beans, resulting in a rich and complex flavor profile that is both strong and smooth.

Berlin is known for its eclectic mix of cultures, art, and nightlife, and our Berlin blend embodies that same energy and vibrancy. The robusta beans provide a strong and intense flavor, while the Arabica beans add a touch of sweetness and balance to the blend. The result is a coffee that is both bold and harmonious, with notes of dark chocolate and caramel that mingle on the palate.

Berlin is a city that celebrates individuality and creativity, and our Berlin blend is the perfect companion to that spirit. Indulge in a cup of Berlin blend coffee and experience the excitement and cultures of this iconic German city. With its bold flavor and vibrant character, this coffee is the perfect way to start your day and embrace the creativity and diversity of Berlin.

#### About Bonmano

Bonmano launched its first production line in 2013 by researching, examining, and deeply understanding consumer needs, as well as establishing principles, brand values, and cutting-edge production mechanisms. All efforts at "Bonmano" are aimed at creating a one-of-a-kind experience of drinking freshly roasted and high-quality coffee; as a result, we have an insatiable desire to produce the "purest possible product" and are constantly seeking to acquire, produce, and publish more knowledge. These investigations help us better understand the challenges of coffee production. They also allow us to continue our innovative activities in this field sustainably and achieve a position worthy of your selection.

## Espresso Coffee Capsule

This Bonmano product is the first aluminum espresso capsule manufactured in Iran, and it is compatible with all types of espresso machines. The capsules contain the world's best coffees, which have been fully roasted before being sealed in standard capsules to maintain freshness and flavor.

The coffee capsule is suitable for espresso and espresso-based drink enthusiasts, and it is the best option for those who have busy mornings and want a quick, easy coffee without sacrificing taste or quality. Bonmano coffee capsules allow you to easily prepare a delicious cup of espresso in the shortest time without the need for any coffee brewing appliances.

## Noresca

### Drip Bag coffee

Noresca is a medium roast Arabica and Robusta coffee that comes for different times of the day. This type of coffee is a simple way to enjoy delicious coffee without the need for extra equipment at work, picnics, walks, and so on. Noresca allows you to enjoy a professional coffee anywhere and anytime.

- No need for brewing appliances
- Quick preparation
- Available anywhere and anytime
- Preparation of professional coffee in the simplest way
- An ideal choice for newcomers to the complex world of coffee
- Can be used cold or warm or as a base for preparing other types of coffee
- Classified based on caffeine content

## Espresso Coffee

Whole Coffee Beans and Ground Coffee

Bonmano espresso powder is made from a blend of Arabica and Robusta coffee beans. This powder is finely ground to produce a smooth, creamy texture ideal for espresso and espresso-based beverages. Bonmano espresso powder is packed in air sealed packages to keep the coffee fresh until it reaches the customer. This product of Bonmano allows you to enjoy the aroma and taste of freshly brewed espresso without the need for a grinder.

Bonmano coffee beans are carefully selected from 27 different origins and then sorted and roasted using hot air technology by the most skilled roasters to ensure that the aroma and flavor of the coffee remain until it is served in a cup. So, if you want to have an exceptional coffee-drinking experience, try Bonmano Espresso Coffee Beans and experience the difference.

## French and Turkish Coffee

Bonmano allows you to experience the original taste of Turkish coffee. Just have a cup of Bonmano Turkish coffee to feel like visiting Turkey's bustling markets and lively cafes. Bonmano Turkish coffee is made from freshly roasted Arabica and Robusta coffee beans that have been well-ground to produce a hearty and tasty cup of coffee. It has a sweet and chocolatey flavor with a lot of crema. Its aroma is light and fluid with a light smell of nuts. Bonmano French coffee is made with 100% Arabica coffee from Latin America. This coffee has a mild acidity and a balanced aroma and taste of vanilla, sweet, and chocolate. This coffee has been meticulously roasted to provide you with an excellent coffee-drinking experience from the first sip to the last drop.
