ABOUT US

Before we were **Barakat Quality** Plus, we were already experienced Chefs working in the UAE's finest hotels, insisting upon using only the highest quality products, to uphold the exceptional freshness and taste sensations that our **unique** recipes and our guests deserved.

Today we are a passionate heritage business operating in the UAE **since 1976**. Our team consisting of Chefs and foodies dedicated to our craft, with over **a 40-year** legacy of sourcing, processing and distributing the world's finest fruit and vegetables.

Our love for our customers, or guests as we like to call you, goes far beyond the quality standards we helped to create and the products you enjoy. We partner with you, happily sharing our knowledge on health and nutrition, to give you and your families the information you need to ensure that every day is a **Barakat** day.

WHY BARAKAT?

Barakat Ice creams are **natural** and **handcrafted** with an obsessive attention to detail and an emphasis on creativity. Each of our Chef inspired flavors are **made from scratch** using fresh fruits, vegetables and juices of the highest quality. Driven by passion and an unreciprocated love for frozen desserts all our products are made to order and not stockpiled; **now this is key!**
