THE PLACE WHERE YOUR

Dream Products

— BECOME REALITY —

Your Product Idea from Concept to Market

Juman interprets your product idea & concept and brings it to market. With our outstanding experience, Juman is committed to achieving your vision and deliver it.

► **We do it in two steps:**

1- Consultation

- Free of charge (only testing samples delivery costs).
- In this step we listen, we help clarify your goals and determine how we can best accomplish them.
- We brainstorm about:
 - 1- The product concept you are looking for.
 - 2- Options for formulation & ingredients.
 - 3- Testing & product development.
 - 4- Packaging.
 - 5- Projected quantities at launch and ongoing orders.
 - 6- Costs.
 - 7- Timeline.

2-Production (Our factory is now your factory)

- Once we have established your needs and get your product exactly the way you want, we approve the purchase order and arrange for necessary deposits.
- Production begins and Juman staff work on exceeding your expectations with great attention to detail and uncompromising quality.
- Our next contract is to tell you that your order is ready to ship.
