Thanks to constant innovations and investments, we are proud to be able to say, that we are the most modern and technologically advanced Cream Fudge producing company in Poland.

Jutrzenka Dobre Miasto is a family-run sweets producing company, established in 1956. That date marks the beginning of production of the **most delicious cream fudges**, which are enjoyed by consumers all **around the world**.

Combining traditional recipes with **innovative solutions**, our company is constantly progressing in order to bring you the **best cream fudges every day**. Taste, quality and tradition are our company key values, which drive us forward every day.

The taste of our products gained recognition and love not only on the domestic market, but also around the world.

Our products are available on nearly every continent, **in over 50 countries**. We are working hard every day to be able to offer our products to more consumers and inspire them with our taste.

We guarantee, that the brand Jutrzenka Dobre Miasto is certificate of quality, taste and passion for our sweets – **unchanged since 1956**.
