Gorgeous!

I love white chocolate. I love peanut butter. I am sugar-free and low carb. I am sold!

I usually prefer protein snacks that do not pretend to be a chocolate bar because those tend to have more drawbacks than benefits. But these are in a different league. These have a great "melt-in-your-mouth" texture and taste amazing. They are very sweet, but the pack size is perfect for a nice treat without being sickly. No weird aftertaste - just pure indulgence with a protein hit. Will definitely buy more.

Bye Bye Reese's & Welcome Kayow!!

As an avid fan of Reese's peanut butter cups I was delighted to discover these products all be it very sceptical! So glad that I have though as these are just as good (if not better) in taste, with no sugar, high protein and gluten free! Will definitely be buying again!!

Having tried various protein peanut butter cups I was very reluctant especially given these have no added sugar, but, how WRONG was !! Have already ordered other flavours!

Arrived on time and well packaged.

Thank you!
