## HEALTHY JOY OF LIFE ALL DAY LONG

We are a Polish family company, known on the market for over 30 years. Our factory produces over 200 different products under our own brand and private labels, perfect for any time of the day: from a nutritious breakfast, through tasty lunch, to afternoon tea and dinner. Responding to modern customer needs, we create innovative, natural and functional products.

Kupiec is a leader among producers of rice and corn cakes. We offer plain varieties or with sprinkles and different kinds of chocolate on rice and corn cakes. Crispy, baked with brown rice, covered with milk or dark chocolate, with raspberries, orange or caramel, they are a modern alternative to conventional sweets. We are one of the largest producers of healthy foods in Poland. Kupiec products are available in stores all over the world - in Europe, North America, South America and Asia. Our portfolio consists of a wide range of products with high recognition. Gluten-free and Kosher products have separate production lines. Our products for vegans and vegetarians are certified.

### PRIVATE LABEL

Flexibility is our distinguishing factor, as we create products dedicated to individual customer needs. As an expert in the area of private labels, we operate both in Poland and abroad, developing recipes according to the guidelines of brand owners.
