WATSON SAYS

» I WANT YOU TO SHINE «

He is not the one in the spotlight, although he has everything that it takes. He takes the backseat. There's nothing he doesn't know. Some ask if he is related to this certain doctor who works with – what's his name – Holmes. No, he says, it has always been like that, nothing special. He then steps back into the second row, where he feels more comfortable, covering your back as a silent source of inspiration.

» FREE YOUR CREATIVITY WITH NEW FLAVORS «

With all the power of a large company behind him, he will provide experience and access to exceptional flavors with ingredients of the highest quality from all around the world, whenever needed. He always responds quickly to your requests like the local guy just around the corner. He will never set boundaries for your creativity, on the contrary, he goes far beyond and provides you with a delicious product range and a local development team to support your new creations.

» LET'S MAKE THEIR TASTEBUDS TINGLE «

Imagine a new partnership and look forward to an ally who does everything to open a whole new world of taste sensations: He has the best recipes worldwide, adapted to the local preferences. He works with sensory experts, constantly extending the variety of traditional and trendy flavors. He also loves to create fantastic possibilities to indulge your customers.
