## OUR STORY

We abide by our Motto **"Original Telugu Recipe"** for manufacturing the entire range of products. We prepare all products with an age old recipe handed down from generations, which helps us in retaining the traditional and authentic handmade flavour. This makes our products special and unique, reminding you of your grandmother's handmade taste.

100% Natural

Traditional

No preservatives

Ingredients Of  
Higesht Quality

A child company of Teja's Food Industries LLP, Telugu Foods has its origins in the 1970s, then known by the name Vamana Pickles. Telugu Foods started with the aim of offering the best experience and enhancing the flavours of each meal and has been dedicated in delivering the same. Every product is prepared using the finest ingredients with an age old recipe handed down from generations, which helps us in retaining the traditional and authentic handmade flavour. The preparation takes place in ultra- hygienic conditions for health with taste. Every batch of the products undergoes rigorous testing- the raw materials and the finished product, to ensure our customers receive only the highest quality.

A brand that started making pickles, but now delivers products ranging from not only pickles, but also snacks, masalas, powders and pastes. Our products are manufactured in a US FDA-approved facility near Hyderabad. Manufactured products are then exported all around the world.

The company is ISO 22000:2018 Certified , Halal Certified .
