Our Pulses and Other Agro Commodities

We are the market leaders in export of Pulses and Other Agro Commodities from India as well as UAE, offering most competitive prices to our valuable overseas clients.

Our Other Products

1) Semolina (Rava/Sooji)

We specialise in production of Fine as well as Coarse Semolina, exporting it across the globe, in packaging as desired by our clients. We produce high quality semolina which is used by pasta and macaroni industry. Wheat Semolina is also known as Rava/Sooji in India. It is used to make sweets and puddings.

2) Chickpea/Gram/ Besan Flour

We specialise in production of Chickpea or gram flour which is an excellent substitute for refined wheat flour. Not only is it lower in carbs and calories, but it's also higher in protein and fiber. It has gained popularity across the world as a gluten-free alternative to wheat flour.

3) Sugar (IC-45 / IC-150 / S-M-L)

We specialise in export trading of various types of Sugar. We are originating sugars from various reputed mills in India / UAE / Brazil / Thailand as per the needs of our client and are exporting sugars to various countries in GCC, Africa, and South Asia. We are always available in the market with highly competitive prices.

4) Dates

We specialise in export trading of various types of high quality dates across the globe, sourced from our reputed trading partners in UAE, Oman and Saudi Arabia.

Various types includes

- ✓ Khalas Dates
- ✓ Fard Dates
- ✓ Black Sayer Dates
- ✓ Sayer Dates
- ✓ Dabbas Dates
- ✓ Naghal Dates
- ✓ Khinzi Dates

5) Palm Oil

We specialise in export trading of palm oil across the globe, sourced from our reputed/reliable trading partners in Malaysia and Indonesia.
