AROMATIC FLAVOURS & FRAGRANCES

Introduction

Welcome to Aromatic Flavours & Fragrances-an independent manufacturer exporting worldwide.

Established in 1969, Aromatic Flavours and Fragrances, has grown to become one of the leading independent flavour and fragrance suppliers. This has been achieved by understanding the needs and expectations of our customers and by being at the forefront of new technologies.

With offices worldwide and manufacturing facilities in Egypt and United Kingdom, Aromatic Flavours and Fragrances are able to draw on vast market experience to deliver what the customer expects time after time.

As a responsible manufacturer we are fully compliant with current legislative and production guidelines (ISO, HACCP etc) so necessary for today's market.

AFF is a family business whose aspirations continue to drive it to react and deliver on time, to fulfill the demands of you the customer.

The art of taste

Beverages

Hot or cold, still or sparkling, beverages are an integral part of everyday life, whether a nice cup of tea, an invigorating sports drink or relaxing milk drink to help you sleep. We provide profile flavours for any application. Innovation and new flavour concepts are always in demand. We are specialists in emulsions for beverages and we offer a full range of flavours. We provide just the right amount of cloudiness, flavour and colour for your application.

Choose from our extensive list or let us prepare a unique sensation to meet your needs.
