Grains, Seeds, Spice & Herbs,  
since 1981

## About Us

Al Amal for Food Industries is a multinational Agro-commodities company, based in Cairo – Egypt, with an international presence in Ukraine, Sudan and Dubai, specialized in agricultural product grains, seeds, spices & herbs, since 1981.

As a leading grains exporter, we offer a wide range of high-quality grains to meet the demands of international markets."

"Our company specializes in exporting premium grains, seeds, spices & herbs, ensuring consistent quality, reliable supply, and competitive pricing."

"With extensive experience in the grains export industry, we have developed strong relationships with farmers and suppliers, guaranteeing a steady and diverse supply chain."

"We take pride in our ability to provide high quality of grain solutions tailored to the specific requirements of our customers, ensuring their satisfaction and success."

"Our commitment to strict quality control measures and adherence to international standards ensures that our exported grains, seeds, spices & herbs consistently meet and exceed industry expectations."

"Through our efficient logistics and shipping capabilities, we ensure timely delivery of our products to destinations worldwide, maintaining quality and preserving added value."

"With a customer-centric approach, we strive to build long-term partnerships based on trust, reliability, and mutual growth, making us the preferred choice for grains exports."

"Our comprehensive range of grains includes [grains, seeds, spices & herbs,], allowing our customers to access a diverse selection to suit their market needs."

"We understand the importance of sustainability, and our grains, seeds, spices & herbs are sourced from responsible farming practices, promoting environmental stewardship throughout the supply chain."

"When it comes to grains, seeds, spices & herbs exports, our company offers a seamless and professional experience, backed by a dedicated team that ensures smooth transactions and exceptional customer service."

Applying the highest environmental, technological and hygienic standards, our main trading domains are grains, seeds, spices & herbs, as we manage the whole supply chain starting from sourcing the seeds from different origins, do all the processing/sizing/sorting stages, then supplying local and international markets (e.g. Europe, North Africa, GCC, etc..) with premium quality products and constantly adapting to customer requirements, focuses on maintaining long-term relationships with business partners who come from all over the world.
