Henna

A-1 Henna The Clear Choice

A-1 Herbal Henna

A-1 Herbal Henna is a natural herbal based and ammonia free henna product. In addition to coloring your hair naturally, it extends complete benefits of hair treatment properties of henna and rare herbs. It helps reveal their inherent beauty naturally. We develop our products from pure henna.

Henna Cone for Decorating Palms and Fetes

A-1 Herbal Henna Cone is a natural herbal based and ammonia free henna produce. Henna Cone is usually applied on the skin painting (Temporary Tattoos). The painted area is the wrapped with tissue, plastic, on medical tape to lock in body heat, creating a more intense colour in the skin. The wrap is worn overnight and then removed. The final colour is reddish brown and can last anywhere from two weeks to several months depending on the type of the paste. Intricate patterns of mehndi are typically applied to brides before wedding ceremonies. Apart from marriage, it is broadly used by unmarried women during Rongali bihu (there's no restrictions the the married ones).

A Truly Unique Sensory Experiences!

Henna

Mehandi (Henna)

Decoration of palms and feet and natural Hair Colour A-1 Herbal Henna is natural herbal based and ammonia free henna product. In addition to colouring your hair naturally, it extends complete benefits of hair treatment properties of henna and rare herbs. It helps reveal their inherent beauty naturally. We develop our products from pure henna.

A-1 Henna a Natural Hair Colour

- ◆ Provides natural colour & lustre to the hair.
- ◆ The effect of Henna based hair herbal colour stays longer.
- ◆ The physical appearance of hair colour powder is green in colour, which is similar to colour of natural henna.
- ◆ The hair colour powder when mixed with water makes a smooth and fine paste.
- ◆ The hair colour paste reaches to the roots of hair easily and spreads out easily to give a consistent dyeing colour to hair.
