# Daily Indulgence

The four essential pillars of our daily indulgence product range are being **Healthy, Tasty, Portable and Affordable!** We strive to offer dairy and non-dairy products to our discerning customers that support the lifestyle goals and at the same time impart an opportunity of permissible indulgence for an emotionally beneficial treat.

## Dairy Based

### ► Full Cream Milk

Plain milk with a tantalising rich taste, goodness of protein, calcium nourishment and energy replenishing carbohydrates to promote health and wellbeing.

### ► Chocolate Flavoured UHT Milk

Premium Chocolate Flavoured milk with a rich body and taste, goodness of protein, calcium nourishment and energy replenishing carbohydrates to refuel and restore essential nutrients.

### ► Strawberry Flavoured UHT Milk

Strawberry Flavoured milk marries the goodness of milk with a rich strawberry aroma and flavour to nourishes the body, delight taste buds and aid bone health.

### ► Banana Flavoured UHT Milk

Banana Flavoured milk brings together the goodness of milk with a rich banana aroma and flavour to delight taste buds, aid bone health and replenish energy.

## Plant Derived

### ► Oat Drink Original

A 100% plant derived drink that's as pure as it gets. With No sugar added the naturally occurring sugar in oats make it a light gentle drink for anytime of the day.

### ► Oat Drink Sweetened

For those with a more pronounced sweetness affinity, the sweetened version provides succour and the much-desired energy punch.

### ► Oat Drink Chocolate

For mornings yearning for indulgence, Oat Chocolate drink is the perfect getaway. Complexly flavoured with chocolatiness to provide the oomph and the goodness of oat nutrition to lend chutzpah.

### ► Oat Drink Barista

A higher fat content to lend creaminess, Oat drink barista is ideal for coffee / tea as a milk replacer, while also lending its unique flavour and adaptability to baking and cooking.

### ► Almond Drink Original

Light but full of flavour and packed with a diverse nutritional profile, Almond milk ticks all the right choice boxes.

### ► Coconut Milk Drink

The refreshing tropical taste derived from the meat of fresh coconuts comes alive to pair with a unique nutritional profile that makes it an ideal anytime of the day drink.

# Life stage Nutrition & Wellness

In the quest for meaningful living, health is paramount and good nutrition is the way to achieve lifelong wellness. To fulfil our commitment of delivering complete dairy nutrition for all stages of life, we offer nutritional and targeted dairy solutions to positively influence health and foster wellness from infancy to old age.

## Stage 1 (0-6months)

Made from premium quality milk, **ABLE-LAC Infant Formula** is a balanced formulation designed to meet your infant's nutritional needs. It is whey dominant, iron enriched and contains nutrients, vitamins and minerals to support growth and development of the baby.

## Stage 2 (6-12 months)

Made from premium quality milk, **ABLE-LAC Follow-Up Formula** contains essential Iron and Calcium along with growth inducing vitamins and minerals to adequately fill the nutrition gap and support immune health for a growing baby.

## Stage 3 (12-36 months)

Made from premium quality milk, **ABLE-LAC Growing-Up Formula** contains recommended nutrients to complement normal diet and compensate for nutritional deficiencies which may occur during the rapid growth and development of infants at this age.

**ABLE-MAMA**

**En-lac™**

A mother's optimal diet, is every child's right

Able-Mama with its Low Fat, No Sugar formulation and a triple boost of essential Protein, Calcium and Vitamins is an ideal healthy choice to take care of the surge in nutritional and energy requirements during this crucial period of pregnancy and lactation.

## Speciality Metal Packaging

The journey from a small can making enterprise to becoming one of the leading players in the local Tin can manufacturing industry has been exhilarating. With three manufacturing facilities located in Malaysia catering to local as well as regional markets, the tin can business has been instrumental in providing a solid foundation and ground on which new ventures have blossomed and flourished.

**Able Packaging S.A.P.I de C.V located in Leon, Mexico** provides Able Dairies Mexico the home-grown advantage and expertise of tin can manufacturing whilst satiating inhouse appetite for quality packaging material at reasonable prices and nimble turnaround time for efficiency optimization.
