Al Ghurair Foods

Over 40 years of expertise in the food industry. A presence in 25 countries and four continents. The trust of thousands of customers across retail, food service and business-to-business. These are just some of the reasons why Al Ghurair Foods has evolved into a world-leading manufacturer and supplier of high quality food products.

In every way, Al Ghurair Foods stays true to its credo, “Part of every plate, Everyday”, earning the trust of thousands of customers in the Middle East and across the World.

Commercial Goods

Flour and Semolina

We begin by sourcing the finest grain from trusted suppliers in Canada, Australia and India, then partner with leading international milling experts to produce a wide variety of wheat flour of the highest quality – using the most meticulous safety measures.

From establishing Dubai's first flour mill in 1976 to transforming into one of the most preferred suppliers in the region, we have come a long way. Our expansive storage capacity also confirms our growing reputation as a major regional supply hub for flour.

Manufactured using the finest durum wheat flour from our mills, our semolina is available in coarse or fine grain variants. Using the most sophisticated processing techniques, we serve customers in the preparation of pasta, desserts, biscuits and artisan breads.

Oats

Made in a state-of-the-art oats plant, the newest additions to our nutritious product portfolio feature traditional flaked oats in a variety of sizes, quick cook oats, as well as whole & cut groats – addressing the needs of retail and commercial customers.

In response to the growing consumer demand for oats and oat products, we have increased our production capacities and continue to invest in the development of our technology and processes so that our customers receive a steady supply of freshly milled oats.

Eggs

Our superior quality eggs are produced at our poultry farm in the foothills of the Masafi Mountains, which is the UAE's largest and the most technologically advanced. From chicken rearing to delivery, our quality control supply chain is impeccable.

Our flock is treated to a 100% natural vegetarian diet for assured traceability and freshness. The result is eggs that are rich in taste, full of natural proteins, low in saturated fats and packed with essential vitamins, calcium and minerals.

Oil

Our state-of-the-art facility is the largest and most modern facility in the region is located in Jebel Ali. With a daily production capacity of 400MT and the ability to pack different types and sizes of bottles, tins and drums. Our raw materials are sourced and purchased from the finest suppliers worldwide in order to provide our clients with the best quality products.

Pasta

The largest of its kind in the Middle East, our pasta plant consistently rolls out quality pasta with durum semolina. We produce a wide variety of long and short cut pastas using our finest raw ingredients such as semolina, manufactured in our own mills, to deliver the finest quality and cater to the most discerning pasta menus.

Noodles

We supply branded and private label noodles to customers across multiple continents. Our state of the art plant has one of the largest high quality noodles manufacturing lines in the world, with the capacity to produce one million packs of instant noodles per day. Bursting with flavour, our noodles have a deliciously smooth texture and guaranteed freshness as a result of using only the finest raw ingredients.

Consumer Goods

Jenan

A firm favourite in households across the UAE, GCC, Asia and Africa for over 10 years, Jenan is a trusted brand of flour, pasta, oats, eggs, oil and noodles. Jenan was recently given a makeover with a brand new design and bold colours, it stays true to its time-honoured values, inspiring cooks, chefs and homemakers, every day.

Flour and Semolina الدقيق والسميد

Al Ghurair Foods established the region's first flour mill in 1976, a pioneering venture that marked the company's entry into the foods sector. Affiliations with suppliers of the finest wheat in Canada, Australia and India have earned our flour an international reputation for continued excellence. Together with the unrivalled expertise of our milling professionals, we also offer massive storage capacity for grain to ensure continuity of supply and use the very latest technology for superior output. Al Ghurair Foods is not only the largest producer in the region, but we offer customers an unmatched variety of flours to meet local demand in terms of both tastes and traditions. Our Moisson brand of specialty pastry and bread mixes is the preferred choice amongst bakeries and foodservice clients.

Al Ghurair Foods is recognized for its expertise in producing high quality durum wheat semolina, manufactured in our own mills and available in coarse or fine grain variants. We use the most sophisticated processing techniques which result in enhanced colour and a higher-grade semolina.

قامت شركة الغرير للأغذية بإنشاء أول مطحنة دقيق في المنطقة في عام ١٩٧٦، وهو مشروع رائد شهد دخول الشركة في قطاع الأغذية. وبفضل شراكاتنا المميزة مع أجود موردي أنواع القمح في العالم إكتسبنا شهرة عالمية للتميز المستمر جنباً إلى جنب مع خبرات فريق العمل. بالإضافة إلى الخبرة التي يتمتع بها متخصصو الطحن لدينا نقدم أيضاً سعة تخزين هائلة للحبوب لضمان استمرارية التوريد واستخدام أحدث التقنيات لتحقيق أفضل النتائج. تعد شركة الغرير للأغذية أكبر منتج في المنطقة فحسب،

بل ونقدم لعملائنا أيضاً تشكيلة متنوعة لا تضاهى. تعد مواسون علامتنا التجارية المتخصصة في خلطات المعجنات والمخبوزات الجاهزة- الاختيار المفضل لدى المخازن ومزودي الخدمات الغذائية.

As one of the few oats manufacturing plants in the GCC, Al Ghurair Foods has been supplying local and international manufacturers and private labels with high volume quantities of oats for more than three decades. Using superior ingredients every step of the way, we make a wide variety of oats products including large jumbo oats, flaked whole groats and 'quick cook' oats.

Our state of the art oats plant is yet another demonstration of our commitment to provide premium, healthy food to the global communities we serve. In response to the growing consumer demand for oats and oats products we have increased volume and continue to invest in the development of our technology and processes so that our customers receive delicious freshly milled oats.

على مدار أكثر من ثلاثة عقود قامت شركة الغرير للأغذية بتزويد المصنعين وأصحاب العلامات الخاصة بإمدادات هائلة من الشوفان، مستخدمين أجود المكونات في كل مرحلة من مراحل التصنيع تنتج تشكيلة واسعة من منتجات الشوفان بما في ذلك قطع الشوفان الكبيرة والشوفان المجروش الكامل الحبة والشوفان السريع الطهي.

ويعد مصنعنا المتخصص بإنتاج الشوفان دليلًا آخر على التزامنا بتوفير أغذية صحية ممتازة للمجتمعات العالمية التي نخدمها. واستجابة لطلبات العملاء المتزايدة على الشوفان ومنتجاته فقد قمنا بزيادة حجم إنتاجنا ومواصلة الاستثمار في تطوير تقنياتنا وعملياتنا حتى يحصل عملاؤنا على شوفان مطحون طازج وشهي.

Our farm delivers exceptional quality eggs fresh from the foothills of the Masafi Mountains. Established for over ten years, The hens are fed a 100% natural and vegetarian diet of the highest quality.

The feed is produced in our own animal feed mill for assured traceability and freshness. According to our stringent control measures, every single egg is checked for quality. From chicken rearing to egg production, collection, packaging and delivery, the quality control supply chain is faultless.

توفر مزارعنا بيضاً طازجاً يتميز بجودته الاستثنائية، حيث يُنقل البيض من سفوح جبال مسافي. فعلى مدار أكثر من عشر سنوات منذ تأسيسها، تتغذى الدواجن على أعلاف نباتية طبيعية 100% والتي تنتج في مصنع الأعلاف التابع لشركتنا لتضمن قياس جودتها والتأكد من بقائها طازجة.

ووفقاً لمعايير مراقبة الجودة الصارمة الخاصة بنا، تُفحص كل بيضة على حدة لضمان جودتها. بدءاً من لحظة وضع الدجاج للبيض ووصولاً إلى عمليات إنتاج البيض وجمعه وتعبئته وطرحه، فعمليات مراقبة الجودة لدينا خالية من الأخطاء.

Animal Nutrition أعلاف الحيوانات

For close to three decades, Al Ghurair Foods has been the partner of choice in animal nutrition for poultry farms and feed producers across the GCC, Middle East and Asia. We serve clients across the region with a variety of high-quality core ingredients, processed feeds and premixes. Our product categories feature two of the most widely-used protein sources, canola and soya meals. Our processed feeds – such as livestock, mono-gastric and premixes – serve animal farms, stables and pet food retailers while our fibres – such as bran and oaten hay – are sold to animal owners, farms and stables.

لفترة تقارب الثلاثة عقود، ظلت الغرير للأغذية هي الشريكة المثالية في توفير الأعلاف الحيوانية لمزارع الدواجن ولمنتجات الأعلاف في دول مجلس التعاون الخليجي ومنطقة الشرق الأوسط وآسيا. حيث نوفر لعملائنا في المنطقة مجموعة متنوعة من المكونات الرئيسية والأعلاف المعالجة والخلطات المركزة ذات الجودة العالية. تمتاز مجموعة منتجاتنا باثنين من أكثر مصادر البروتين استخداماً وهما بذور الكانولا وبذور فول الصويا. أعلافنا المعالجة - مثل الخاصة بالماشية أو بأحادية المعدة أو الخلطات المركزة - تخدم طلب مزارع الحيوانات والاسطبلات وبائعي أغذية الحيوانات الأليفة. أما أعلاف الألياف - مثل النخالة وتبن الشوفان - فتباع إلى أصحاب الحيوانات والمزارع والاسطبلات
