ShareCARD Selected for Supernova Competition Semi-Finals at GITEX Africa 2025

Marrakech, Morocco – April 2025 — ShareCARD, a leading data intelligence platform for last-mile visibility and impact traceability, is proud to announce its participation in **GITEX Africa 2025**, Africa's largest tech and startup event.

We're also excited to share that ShareCARD has been **selected as a semi-finalist in the prestigious Supernova Challenge**, a global pitch competition spotlighting groundbreaking innovations with the power to transform industries and communities.

As part of our mission to digitize impact tracking and enhance transparency for organizations working across agriculture, education, healthcare, and economic development, ShareCARD's presence at GITEX marks a major step forward in expanding our footprint across the continent.

"We're thrilled to showcase how ShareCARD is helping organizations reduce paperwork, improve real-time data collection, and empower underserved communities through inclusive, dignified technology," said **Sandra Awilli, Founder and Team Lead of ShareCARD**.

👉 **Come visit us at Booth 21G-56, Uganda Pavilion, Hall 12** to explore how ShareCARD is building the next layer of Africa's digital accountability infrastructure—and how you can be part of it.
