A Brief Statement

Partex Star Group is one of the leading corporate houses and manufacturing groups in Bangladesh. The parent group started its business since 1962 and in 1983 it became Partex Group. The group has been significantly contributing to the country's growth and economy since its inception.

Danish is one of the most popular consumer packaged food products of the group. It is the pioneer of Condensed Milk and Juice Manufacturing and Marketing in Bangladesh. Currently it is producing more than 312 products (SKUs) in six categories i.e. Juice, Fruit Drinks, Biscuits, Spice, Milk, Snacks and Confectionary.

As an ISO 9001:2015 + HACCP, USFDA, FCE, SID and HALAL certified company. Danish ensures quality during production, storage and distribution of products to end consumers considering international standards, consumer taste, health and overall satisfaction.

The consistency in quality standards, highly attractive packaging and competitive prices have given Danish a unique place in both local and export markets. After meeting the need of local market Danish is exporting to 54 countries across the world and the export market is expanding day by day.
