

Press Release

Creation Next Announces M3gan.io (Smart AI Tools) in Pakistan

Lahore, Pakistan – Creation Next, an **ISO-certified Adobe Development Partner**, is proud to announce the launch of **M3gan.io**, a Next-Gen suite of Smart AI Tools, in Pakistan. This innovative platform is set to empower businesses across the country by offering state-of-the-art artificial intelligence solutions aimed at improving operational efficiency and fostering rapid growth.

Revolutionizing Business Operations with M3gan.io

M3gan.io brings a new wave of AI technology to the Pakistani market, offering tools that enhance automation, data analytics, customer interaction, and decision-making processes. With an intuitive interface and scalable capabilities, M3gan.io is designed to cater to businesses of all sizes, enabling them to stay competitive in a fast-paced global marketplace.

About Creation Next

Creation Next, a leading ISO-certified company in the IT and development space, specializes in staff augmentation and product development to help businesses scale efficiently and innovate faster. We deliver modern solutions in AI, machine learning, and cloud services, ensuring seamless operations and future-ready infrastructure.

Our expertise in API integrations and custom software development ensures efficient system connectivity and customized applications. With a focus on staff augmentation, we provide access to top-tier talent, enabling teams to meet project demands with agility.

"At Creation Next, our mission is to provide businesses with the tools and support they need to innovate and grow," said Abdul Raheem, COO of Creation Next. "M3GAN.io is a step forward in our journey to equip organizations with the latest AI advancements, allowing them to streamline operations, make smarter decisions, and stay ahead of the curve."
