

COLMI, a pioneering brand in the smart wearable industry, today announced the launch of its latest innovation, the COLMI P86. This new Smartwatch is engineered to deliver a superior user experience, blending a brilliant display, exceptional durability, and a comprehensive suite of health and lifestyle features, solidifying COLMI's commitment to accessible and high-performance technology.

The COLMI P86 is designed for the modern user who demands both style and substance. It seamlessly integrates advanced technology into a sleek, comfortable, and highly functional device, making it the perfect companion for everything from daily routines to spiritual practices.

A Display That Dazzles, A Design That Comforts

COLMI Unveils the P86 Smartwatch: A Fusion of Vibrant AMOLED Display, Extended Battery Life, and Intelligent Lifestyle Features

At the heart of the P86 is a stunning 1.93-inch AMOLED display, which offers breathtakingly vibrant colors, deep blacks, and an ultra-fast response speed. This premium screen is housed within an ergonomic, micro-arc curved case that naturally follows the contour of the wrist. This thoughtful design not only enhances comfort for all-day wear but also creates a seamless aesthetic.

Weighing a mere 43g, the P86 ensures low wrist pressure, allowing users to almost forget it's there. Further personalizing the experience are COLMI's signature two-tone interchangeable straps, enabling users to express their unique style effortlessly.

Powering Your Lifestyle: Unmatched Battery Life and Durability

COLMI Unveils the P86 Smartwatch: A Fusion of Vibrant AMOLED Display, Extended Battery Life, and Intelligent Lifestyle Features

The COLMI P86 addresses one of the biggest concerns for smartwatch users: battery life. Equipped with a high-capacity 400mAh battery, it provides an impressive 12 days of typical use on a single charge. This endurance means users can track, connect, and explore without constantly worrying about finding a power source.

Built to withstand the rigors of daily life, the P86 features 1ATM water resistance, making it resilient against rain, sweat, and splashes during everyday activities.

Your Comprehensive Health and Fitness Partner

COLMI Unveils the P86 Smartwatch: A Fusion of Vibrant AMOLED Display, Extended Battery Life, and Intelligent Lifestyle Features

The P86 is a powerhouse of health monitoring, centered around the enhanced HX3918 heart rate sensor for unparalleled precision. Its advanced health suite includes:

- 24/7 Wellness Tracking: Continuous monitoring of heart rate, blood pressure, blood oxygen (SpO2), sleep patterns, and stress levels.

- **Holistic Health Management:** All data syncs seamlessly with the COLMI Fit App, providing users with a complete overview of their well-being and actionable insights.
- **Extensive Fitness Tracking:** With over 100 sports modes, the P86 can capture detailed metrics for virtually any workout or activity, empowering users to achieve their fitness goals.

Seamless Connectivity and Inclusive Features

COLMI Unveils the P86 Smartwatch: A Fusion of Vibrant AMOLED Display, Extended Battery Life, and Intelligent Lifestyle Features

Staying connected is effortless with the P86. The integrated Bluetooth calling feature allows users to make and receive calls directly from their wrist.

In a significant move towards inclusivity, the COLMI P86 introduces a dedicated Muslim Prayer Companion. This unique feature provides users with accurate prayer times, Qibla direction, and timely prayer alerts, serving as a valuable companion for their spiritual journey.

A Commitment to Partnership and Growth

COLMI Unveils the P86 Smartwatch: A Fusion of Vibrant AMOLED Display, Extended Battery Life, and Intelligent Lifestyle Features

COLMI is dedicated to fostering strong relationships with its brand partners. In celebration of the P86 launch, the company is rolling out a special incentive program for both new and existing clients. Partners who commit to ambitious promotional targets for the P86 will receive tailored support, including:

- **Product Support:** Complementary spare straps to enhance product offerings.
- **Customized Marketing Support:** A full suite of branded assets, including banners, social media posts, and peripherals, along with negotiable marketing fee flexibility to align with diverse market strategies.

The COLMI P86 is more than just a smartwatch; it is a statement of style, a commitment to health, and a tool for modern living.
