

Topwise Emerges as Global Powerhouse in Secure Payment Solutions

Shenzhen, China –

Founded in 2005 as a leading mobile device designer (500M+ POS terminal shipped), **Topwise** strategically pivoted to fintech in 2016 with **Central Bank of China & UnionPay certifications** – positioning itself at the forefront of payment innovation.

Why Global Partners Choose Topwise:

✔ **End-to-End Expertise:** Full-stack R&D capabilities in hardware, software & system integration

✔ **Certified Security:** Compliant with the highest financial industry standards

✔ **Mass Production Proven:** 10M+ payment terminals deployed across 3 continents

✔ **Future-Ready Infrastructure:** Supporting emerging e-wallets across APAC, LATAM & Africa

"Our manufacturing heritage enables unmatched scalability," states Tony Zhang, Sales Director. "Unlike pure fintech startups, we deliver bank-grade terminals with consumer electronics efficiency."

With 76% growth in payment solutions since 2020*, Topwise is accelerating financial inclusion through robust yet affordable technology. Visit Booth #U115 at NRF 2025 to experience our next-gen terminals.
