TYGRX INC. Showcases Transformational Training and Innovative Ventures at GITEX Dubai 2025

Dubai, UAE – October 2025 – TYGRX INC., a global venture studio, announced its participation in **GITEX Dubai 2025**, highlighting its flagship brand **Tygr Training** alongside its innovative portfolio ventures **Medinudge, Tygr Money, and Coralboard**.

At the core of TYGRX’s vision is **Tygr Training**, a transformation-driven learning platform built on the three-pillar philosophy of **Think, Communicate, Decide**. Tygr Training empowers leaders, professionals, and organizations to operate at their highest potential through flagship programs such as **Pitch Perfect** (executive presence and public speaking), **Cyber Sure** (cybersecurity awareness and resilience), and **Compliance Edge** (AML and regulatory training). Unlike traditional training models, Tygr Training emphasizes **practical execution, measurable impact, and lasting transformation**.

In addition to Tygr Training, TYGRX INC. will exhibit:

- **Medinudge** – a HIPAA-compliant patient engagement and clinic management platform powered by WhatsApp and Telegram bots, making healthcare simple, secure, and accessible for both patients and providers.
- **Tygr Money** – a legally compliant P2P lending platform that digitizes and documents personal and business-friendly loans, bringing security and transparency to the informal lending economy.
- **Coralboard** – an AI-powered board governance and compliance platform that helps startups and scaleups get investor-ready with automated documentation, compliance tracking, and secure investor data rooms.

“At TYGRX INC., our mission is to build ventures that solve real-world challenges in compliance, healthcare, and finance,” said *Uday Wagh, CEO of TYGRX INC.* **“GITEX Dubai gives us the platform to showcase how Tygr Training transforms leadership, while our other ventures—Medinudge, Tygr Money, and Coralboard—demonstrate our ability to deliver sector-specific innovation with global impact.”**

TYGRX INC.’s presence at GITEX underlines its commitment to shaping the future of leadership, compliance, and digital transformation across industries.
