Sana Foods for food industries (SAE)

Quality is our priority

100% Natural Ingredients

About us

CATERING HUB is a leading provider of high-quality frozen pastry and bakery products. Our commitment to excellence is reflected in every product we produce, from delicate croissants and pastries to decadent cakes, cheesecakes and sumptuous oriental sweets.

Key Features:

Premium Ingredients: We source only the finest ingredients to ensure exceptional taste and texture.

Expert Craftsmanship: Our skilled artisans meticulously prepare each product using original techniques.

Frozen to preserve freshness: We employ unique techniques based on research and development to ensure that our frozen products retain their flavour and quality longer than fresh products.

Variety: We offer a variety of options to suit different tastes and preferences.

Convenience: Our products are easy to thaw and finish, making them easy to prepare and time-saving.

Quality is our priority

Our "Ready to Bake" Oriental Sweets are par-baked at CATERING HUB: basically, we do the making, and you do the baking whenever you want. Just preheat the oven , and bake your Oriental Sweets for a few minutes.
