# ABOUT US

*You are happy with you every moment !*

Established in 2004, Kuğu Candy has become the industry's leading chocolate and Candy supplier for years by continuing its ventures and investments in parallel with its success. The secret of its distinguished taste and quality is hidden in its meticulousness and perfectionism. All products have been produced with the utmost care and have preserved their traditional taste on the palate. The products developed by Kuğu through experience and innovation lead the sector in addition to its wide variety. Kuğu Candy offers its customers quality and exclusive products that are a source of energy and happiness, shared in the happiest moments and become delicious as they are shared.

As Kuğu Candy, we set out with the motivation to bring world-class products to our consumers all over the world, in order to be the address of the best and quality.

Our factory, which we laid the foundations of in 2004, has since become one of the most important companies in the field of chocolate and Candy by carrying out many activities in parallel in various fields in the field of investment and operation.

The secret of the work is the delicious and high quality of our products, great integration and meticulous work in the production stages. Over time, we fell under the spell of chocolate, and again, we brought together the indispensable taste of chocolate with the elegant and unique world of the Kuğus, from which the Kuğu takes its name. In addition to producing a wide range of products, where all products are produced meticulously and cleanly in a way that preserves the popular traditional taste, we also work to follow current developments and benefit from the latest technologies in this field. Kuğu Candy Manufacturing Company proceeds with the principle of developing the best products that produce happiness and energy by offering delicious products produced with the right and high R&D and sharing happy moments with its customers. Kuğu Candy represents a world that constantly explores, develops, changes, learns and is renewed. We add new chocolates to our collections, to which we add different ingredients according to seasonal characteristics in each period.

We are as excited as the first day to discover new taste points, to see the whole process of turning the cocoa bean into chocolate with the concept of chocolate from the bean spreading around the world. As the Kugu Family, we continue to carry out innovations in line with market R&D trends in Turkey and in the world, without compromising our understanding of quality.
