## Create Your Own Chocolate Experience

Guests can craft their own chocolate bars or truffles at the interactive Chocolate Creation Station. Here, they will choose from a variety of premium melted Swiss chocolates (dark, milk, white) and an indulgent selection of toppings.

### **Step 1: Choose Your Base**

Freshly tempered chocolate flows from sleek dispensers, and guests can pour their preferred type into bespoke molds.

### **Step 2: Gourmet Toppings**

The Topping Bar is a visual feast, with vibrant colors and textures beautifully arranged:

- Crushed roasted hazelnuts, caramelized almonds, pistachios
- Luxurious edible gold flakes, silver dust, and sea salt crystals
- Exotic freeze-dried fruits like raspberries, mango, strawberries
- Candied violets, lavender, and rose petals for floral accents
- Chunks of dark caramel, honeycomb, and crunchy pearls
- Drizzles of artisan peanut butter, salted caramel, and bourbon vanilla syrup

## Food Show Experience

### **Live Chocolate Show:**

Master chocolatiers work in a glass-enclosed kitchen, pouring, swirling, and decorating chocolates, offering an eye-catching display of chocolate mastery. Guests can watch molten chocolate cascade from marble slabs, hand-rolled truffles being dipped, and the final flourish of a delicate coating.

### **Interactive Tastings:**

At tasting stations, guests can sample from a rotating selection of premium swiss chocolates from around the world, paired with unexpected accompaniments like espresso shots, fine wines, or fresh fruits. The goal is to awaken the senses, with every bite offering a new experience.

### **Social Media Moment:**

The store is filled with Instagram-worthy corners. From the dripping chocolate walls to a “hot chocolate bar” with clouds of steam, to edible art installations like giant chocolate sculptures - each detail is designed for a food-lover's dream photo op.
