Assortment of croissants

Author's line

We have created a signature line of summer, bright, colorful croissants with natural fillings and dyes!

This is the result of long and painstaking work of our team. Achieving such a rich color after baking croissants from natural ingredients is a complex technological task, and we managed to solve it.

These croissants are loved by adults and adored by children. The colored line has become our know-how, in which we combined a bright appearance, quality and preserved naturalness!

Croissant with kiwi and gooseberry

A bright croissant with a rich fruit filling. The refreshing combination of kiwi and gooseberry makes it one of the most unusual and memorable in the collection.

Croissant with mint and orange

Bright citrus flavor in an unexpected combination with mint! One of the most spectacular and unusual in our line.

Yoghurt Croissant

A light and airy croissant with a creamy yoghurt filling. It has become a favorite among those who appreciate a mild taste and unusual presentation.
