**ALMAS WINNER of BEST CO-PACKER PROFILE 2023 - 2024**

We are proud to announce that our company has been recognized for the second consecutive year as the Best CoPacker Profile, ranked 1st in the 'Beverages' category.

We received this award in recognition of our ongoing commitment to innovation, high quality, and sustainability in the development of private label beverages.

Thanks to all our collaborators, whose dedication and hard work every day help us deliver the best products to our partners.

This award is promoted by the digital magazine PLM and organized by @ Edizioni DM Srl. The @ PLM Awards celebrate the top Italian companies supplying private label products (MDD).

The 2024 edition saw over 150 participating companies, 24 awards given, and 8 overall winners.

Unlike other initiatives related to large-scale retail and consumer goods, this award focuses not on the products but on the companies themselves. "A recognition dedicated to businesses, especially those supplying private label products, which was missing," highlights the PL Magazine editorial team. "It was a true 'unjustified absence,' considering the growing importance of private labels in the offerings of national and European retailers. That's why the idea was born to launch this new contest, to honor the work of the thousands of small and large companies that collaborate with the main retail groups on the market, with even more rigorous selection criteria than those applied to branded industries."
