# ABOUT STBI

We at Shree **Tirupati Balajee Industries (STBI)** a leading contract food manufacturer based in **Varanasi**, have been dedicated to crafting high - quality food products with a commitment to excellence from over **2 decades**. Our mission is simple yet powerful: to share the goodness of our products with the world, delivering **unmatched taste and uncompromised quality**.

Since **2010**, STBI has been producing approximately **10,000 tons** of biscuits and rusk every month for Leading **multinational companies across India**. Backed by deep manufacturing expertise and a **Legacy of trust**, we took a bold step towards our own dream that was close to our hearts - **Teakay Cookies**.

## Teakay Cookies – Where Passion Meets Perfection:

One big dream. Two partners. And the perfect blend of flour and sugar. Teakay Cookies was co-founded by Mr. Sanjeev Agrawal, Mr. Bharat Kejriwal and Mr. Prateek Agrawal three visionaries united by a shared passion: creating the perfect cookie but perfection did not come easy.

From countless trials and wasted batches to recipes that just did not meet our standards, the journey was anything but smooth. That is when we turned to our most important critics - the people. We made feedback a cornerstone of our process, continuously refining our recipes based on real responses and evolving tastes.

Today, this commitment remains at the heart of everything we do, from sourcing the finest ingredients to baking with precision, we are passionate about every step of the process. It helps us in crafting cookies that strike the perfect balance of taste, texture, and affordability.

**At Teakay, we do not just make cookies - we craft cookies with perfection.**
