ABOUT

Recorn Foods Pvt Ltd. is a Himmatnagar-based company with 25 years of experience in the field of manufacturing and processing. We strive nutritious and hygienic snacks made with the finest Non-GMO corn and cutting-edge technology. The company has grown into India's pre-eminent corn snacks manufacturing brand, creating value for money, owing to its expertise and experience. Our department continuously utilises each and every resource of the company to enhance the experience of the stakeholder. Our mission is to make corn a staple in people's regular diets all over the world. As a result, Recorn Foods Pvt Ltd. introduced Makino, a line of nutritious corn snacks.

MAKINO

Step into the world of crunchy snacks with Recorn Foods' healthy corn snacks, Makino. The interesting triangle and twist shapes make the experience of snacking even better! Through Makino, Recorn Foods Pvt. Ltd. wants to establish a new trend in the snacking industry by providing an array of interesting and tasty corn snacks. Makino Chips are a unique combination of goodness and endless taste. Corn, our best friend is processed with zero human touch technology which adds to the crackling crunch and the tempting flavours.
