

**NEEL**  
B E V E R A G E S

A top-down view of a white ceramic bowl filled with a vibrant orange liquid, likely juice. The bowl is surrounded by a dense layer of long, green, lanceolate leaves, possibly from a citrus tree, which are slightly out of focus. The lighting is soft, highlighting the texture of the leaves and the smooth surface of the liquid.

We Combine quality, taste and convenience to provide  
innovative and natural instant beverages solution.
