

WHO WE ARE

OVERVIEW

Ficus Food Lab is located in Vadodara, Gujarat, India, specializing in the production and private labeling of sauces. Our most asked products include mayonnaise, dips, sauces, syrups, and dressings. We take pride in our Research and Development team who has the drive to work on products per customization along with improvement in production process, yield, shelf life and cost reduction.

INNOVATION

Our product range features a variety of recipe and packaging options, allowing you to tailor your selections to best align with your requirements. Our team is delicately working for new product development in innovative ways to be a one stop solution for you.

QUALITY

As a company, we are dedicated to consistently provide high-quality food products, incorporating innovation into both existing and new offerings.

FACILITY

Situated over 55,000 square feet, our cutting-edge facility is equipped with world-class technology, with a capacity of 2400 metric tonnes, to efficiently deliver our products and services.
