ABOUT PETRA FOOD INDUSTRIES CO.

In 1989, Petra entered the highly competitive snack foods industry with the promise of delivering superior quality at competitive prices. We believed strongly that applying our DNA of innovation, would delight consumers.

“Food Safety & Quality “ is our first priority. Petra has recently been awarded the food safety management system certificate in accordance with the ISO 22000 standard in addition to having been quality management system certified pursuant to the ISO 9001 standard since 1999. In Petra, We are committed to providing our customers with high-quality products that strictly comply with a wide spectrum of food safety regulatory requirements and globally recognized standards throughout the entire business operation from procuring raw materials to warehousing, manufacturing and distributing the final products.

In 2020, Petra Food industries Co. has been awarded the trust mark certificate.

In 2018, Petra Food industries Co. added to its pellet manufacturing capacity and capability by installing a new state of the art production line dedicated to snack pellet production

In 2023, Petra food industry company added to its manufacturing lines new production line for the pretzel products as a new start of the art production line dedicated to snack production

Our commitment to quality means we would use the class suppliers for our machine & raw materials, These are provided by Reading bakery system, heat & control, Ishida packaging, nestle, Symrise, Kerry ingredients & others
