

SafeGuard envelopes

THE ULTIMATE MAILER

With the advantages of the adaptable courier bag in combination with the cushioning of a bubble wrap, Chemco has manufactured a new products, Safeguard envelopes and rolls. This protective packaging product adds to the vast list Chemco prides itself on. These envelopes and rolls are made of multilayered composite material, making it durable, moisture resistant and puncture resistant. Its glossy upper layer, makes it attractive, and the inner layer avoids wear and tear. Furthermore, it is lightweight which benefits shipping costs. The quick, tamper evident adhesive peel-and-seal on the flap is pressure sensitive and easy to close. These shiny metallic SafeGuard envelopes and rolls are sure to get noticed as they travel. They provide ultimate mailing protection for a clean and professional look.
