OVER 60 YEARS OF GROWTH - FROM PAKISTAN'S TOP PRODUCE EXPORTER TO YOUR TRUSTED PARTNER IN BEVERAGE CO-PACKING AND PRIVATE LABELING.

We take pride in producing the freshest fruits, vegetables, pulps, concentrates, juices, sauces, and pickles by maintaining the highest standards at every stage of production. From cultivating our own crops—such as Kinnow (Mandarin), Mangoes, Onions, and Potatoes—to sourcing premium fruits for processing into high-quality value-added ingredients, we serve leading food and beverage industries worldwide, and delight our consumers - from farm to table. In addition to offering our own range of fruit beverages in Tetra Pak and PET bottles for consumers, IAC is fully capable of providing co-packaging and private labeling services for juice and beverage manufacturers and their brands.
