

Golden Falcon offers a wide range of specialty and stock products across various food industry applications.

Application data sheets and start-up formulations are available on request for all categories.

Food & Beverage Industry

- **Acids/Acidulants:** Citric Acid , Phosphoric Acid
- **Protection/Preservation:** Antioxidants, Preservatives
- **Texture/Structure:** Stabilizers and Emulsifiers, Gelling & Thickening Agents, Starches, Phosphates & Blended Phosphates
- **Health & Fortification:** Vitamins and Vitamin Premixes, Fortifying Agents, Dietary Fiber, Enzymes
- **Sensory:** Food Colors, Flavors, Sweeteners

Bakery and Confectionery

• Specialty Range:

Glazing & Gelling Agents (Pectin), **Vitamins** (Straights and Premixes), **Colors** (Natural & Nature Identical), **Flavors** (Natural & Nature Identical).

• Stock Products:

Leavening Agents (Ammonium Bicarbonate, Sodium Bicarbonate, Acid Calcium Phosphate, Di Calcium Phosphate), **Dough Conditioners** (Sodium Acid Pyrophosphate), **Emulsifiers** (Soya Lecithin, Glycerol Mono Stearate, SSL and NMS), **Humectants** (Glycerin, Mono Propylene Glycol), **Acidulant** (Citric Acid Anhydrous), **Salt** (PVD salt - Standard & Fine), **Sugar Replacers** (Dextrose, Liquid Glucose, Lactose, Sucralose, Aspartame, Acesulfame K), **Colors, Flavors Carriers** (Malic Acid, Citric Acid), **Preservatives** (Potassium Sorbate, Sodium Benzoate, Calcium Propionate), **Antioxidants** (BHA, BHT, Ascorbic Acid, Ascorbyl Palmitate , Sodium Ascorbate).

GOLDEN FALCON

Your Reliable Partner
in Food & Beverage Innovation

Food & Beverages Division

Why choose us?

As the dedicated **Food & Beverage Division** of **Golden Falcon General Trading LLC**, we have been a powerful presence in the industry since 1988, operating as a proud member of the Tariq Al Majid Group. We act as a crucial, valuable link in the food industry, striving to be a virtual **"one-stop" source** for all your essential ingredient needs.

- **Sourcing Solutions:** We help you find the right ingredient, navigate technical challenges, and generate new product ideas through our established network of reputed manufacturers and extensive resource database.
- **Supply Chain Support:** Our trained and qualified staff ensure your production facilities operate smoothly by assisting in all aspects of the supply chain mechanism.
- **Innovation Focus:** Our focused strategy ensures we stay abreast of innovations and developments in the Food & Beverage industry, sharing this vital knowledge to help our customers adopt advancements.

Juice, Soft Drinks

Vitamins and Specialties: Vitamins from DSM (Ascorbic Acid, Premixes),

DSM Specialties (Carotenoids, Pectin, Gellan Gum, Riboflavin, Quali™ Blends, Coenzyme Q10 and resVida).

Flavors and Compounds (Emulsions, Micro encapsulated flavors, Energy Drink Concept (Taurine & Caffeine), Malt Beverage Concepts, Near Water Concepts)

Sugar Replacement (Sunett™ Acesulfame K, Stevia, Sucralose, Saccharin, Aspartame), **Sugar Source** (Dextrose Monohydrate, Liquid Glucose, Maltodextrin, Sorbitol).

Food Grade Colors: Beta Carotene, Caramel Color, Sunset Yellow, Tartrazine.

Stabilizer/Thickener Blends: Pectin Based, Gums based, CMC, Xanthan Gum, **Swiss Gum**, **Flavors Carriers** (Malic Acid, propylene Glycol), Acidulant (Citric Acid, Sodium Citrate, Phosphoric Acid), **Antioxidants** (Ascorbic Acid), **Preservatives** (Potassium Sorbate, Sodium Benzoate, Sodium Meta Bi Sulphite).

Dairy Ingredients

Ingredients Range:

dsm- Firmenich Cultures & Enzymes (Delvo Range, Maxilact -Lactase) **Vitamins & Specialties** (Vitamin A, D3, and K (Dry & Liquid), Quali Blends, Vitamin Premixes, Omega 3 & 6, DHA, Zeaxanthin, and geniVida) **Preservatives** (Artificial & natural: natamycin & Nisin), **Thickeners/Texture** (Carrageenan, Modified Starch, Pectin, Gellan Gum Stabilizers), **Natural Colors** (Carotenoids, Lutein, Lycopene)

Edible Oil and Margarine

• **Specialty Range:**

Antioxidants (BHA/BHT/TBHQ, Lactic Acid), **Vitamins** (Vitamin AD3 Blend, Vitamin E Acetate), **Omega 3**, **Flavorings** (Butter, Margarine & Ghee), **Carotenoids**.

• **Stock Products:**

Beta Carotene 30%, Phosphoric Acid, Citric Acid, Glycerol Monostearate, Potassium Hydroxide, Sodium Hydroxide, Soya Lecithin

Potassium Sorbate, Vitamin E Acetate, Ascorbyl Palmitate, Mixed Tocopherols, Butter milk Powder, PVD Salt, Antifoams, Sodium Benzoate, Bleaching Earth, Filter Aid,

Meat and Sea Food

• **Speciality Range:**

Thickeners & Binding Agents (Corn Starch)

Functional Proteins (Textured Soy Protein - TVP, ISP90%, CSP70%, Soy Flour), **Functional Additives** (Blended Phosphates, STPP, Non Phosphate-Seapure™).

Stabilizers: Carrageenan, Sodium Nitrite, Potassium Sorbate, Sodium Meta Bi Sulphite, **Antioxidant** (Ascorbic Acid), **Colors** (Canthaxanthin), **Flavors & Aroma** (Spices, Herbs, Seasonings blends, Compounds, Flavors, Flavor enhancers and

Oleoresins, MSG & Yeast Extracts) **Curing Agents** (PVD Salt, Sodium Nitrites) **Hydrocolloids** (Xanthan Gum, Guar gum)

Emulsifying Agents (Soy Lecithin).

• **Stock Products:**

Carrageenan, Ascorbic Acid, Blended Phosphates, STPP, PVD Salt, Sodium Nitrites, Sodium Meta Bi Sulphite, Dextrose.

Culinary and Sauces

• **Specialty Range:**

Egg Powders (Heat Stable - Yolk, Albumin and Whole Egg Powders), **Flavors Enhancer** (MSG)

• **Stock Products:**

Acidulants (Acetic Acid Glacial, Citric Acid), **Thickeners** (Starches & Gums), **Salts**- Standard & Fine, **Preservatives** (Potassium Sorbate, Sodium Benzoate), **EDTA**, **Glucose Syrup**, **HFCS**: 55% & 42%.

Snacks Food

• **Specialty Range:**

Natural Food Colors (Turmeric/Curcumin, Paprika, Beta carotene) **Flavors & Dustings** (Spray Dried Flavors)

• **Stock Products:**

Acetic Acid Glacial, Sodium Di Acetate, Citric Acid Anhydrous, Dextrose Monohydrate, Maize Starch, Monosodium Glutamate, PVD Salt- Standard & Fine, Sodium Citrate, Potassium Sorbate, Sodium Benzoate, Seasonings.
