ABOUT US

Overseas Cans & Containers LLC is your premier partner in the global packaging industry since 1991. Established with a vision to provide innovative and sustainable packaging solutions, we specialize in manufacturing high-quality cans and ends for various industries worldwide.

At Overseas Cans & Containers LLC, we understand the critical role packaging plays in preserving the integrity of products while also enhancing their appeal on the market. With this in mind, we have dedicated ourselves to delivering excellence in every aspect of our operations.

Our commitment to quality is unwavering. We leverage cutting-edge technology and adhere to stringent quality control measures to ensure that every product that bears our name meets the highest standards of durability, functionality, and aesthetic appeal. From food packaging to industrial containers, we offer a diverse range of solutions tailored to meet our clients' specific needs.

Beyond quality, sustainability lies at the heart of everything we do. We recognize the environmental impact of packaging materials and are deeply committed to minimizing our ecological footprint. Through continuous research and development, we strive to introduce eco-friendly alternatives and implement sustainable practices across our supply chain.

At Overseas Cans & Containers LLC, our success is built on the trust and satisfaction of our customers. We prioritize open communication, transparency, and collaboration to forge lasting partnerships with businesses of all sizes. Our team of dedicated professionals works tirelessly to understand our clients' requirements and deliver customized solutions that exceed their expectations.

As a global company, we embrace diversity and inclusivity in all aspects of our operations. We foster a culture of respect, integrity, and innovation, empowering our employees to contribute their unique talents and perspectives towards our shared goals.

Whether you are launching a new product or seeking to enhance your existing packaging solutions, we are here to support you every step of the way. Together, let's create packaging that not only protects your products but also elevates your brand and is environmentally friendly.

VISION

Our vision at Overseas Cans & Containers LLC is to become the preferred packaging solutions provider across diverse industries. We aim to achieve this by consistently delivering innovative, high-quality packaging solutions that meet the unique needs of our clients while upholding our commitment to sustainability and excellence.

MISSION

Our mission at Overseas Cans & Containers LLC is to be the go-to packaging solutions provider for businesses across various industries. We achieve this by prioritizing customer satisfaction, delivering reliable and innovative packaging solutions tailored to their specific needs. Our commitment to excellence, sustainability, and continuous improvement ensures that we exceed expectations, build lasting partnerships, and contribute positively to the success of our clients and the environment.

QUALITY COMMITMENT

At Overseas Cans & Containers LLC, quality is the cornerstone of our operations. We are proud to hold the following certifications as a testament to our unwavering dedication to excellence:

ISO 9001 : 2015 Quality Management System

HACCP (Hazard Analysis & Critical Control Point)

ISO 22000 : 2018 for Food Safety Management System

ISO 14001 : 2015 for Environmental Management System

ISO 45001 : 2018 for Occupational Health & Safety Management System

These certifications reflect our commitment to maintaining robust quality management systems that ensure consistency, reliability, and customer satisfaction in every aspect of our products and services and our commitment to ensuring the highest levels of safety, hygiene, and well-being for our employees, and stakeholders.

Our quality commitment extends beyond certifications. We continuously invest in state-of-the-art technology, rigorous quality control measures, and ongoing employee training to uphold the highest standards of product quality, safety, and performance.

Through proactive risk management, continuous improvement initiatives, and open communication with our customers and partners, we strive to exceed industry standards and deliver unparalleled value to our stakeholders.

At Overseas Cans & Containers LLC, quality is not just a goal; it's our promise to our customers and our commitment to excellence in everything we do.

OUR PRODUCTS

We manufacture metal packaging for the following industries:

FOOD

Food Cans

PAINT AND CHEMICAL

Paint/Chemical Cans

LUBRICANT AND GREASE

Lubricant Cans

Our cans range in diameter from 63 mm to 189 mm, which are used in various packaging items such as juice powder, milk powder, ghee, nuts, evaporated milk, cream, meat, cheese, beans, tomato paste, oats & more. They come in various configurations of tops such as RLT (penny lever), aluminium peel-off, easy open, plain top, plastic spout top and more. Our rectangular cans are used for edible oil containers as well.

SERVICES

DESIGNING

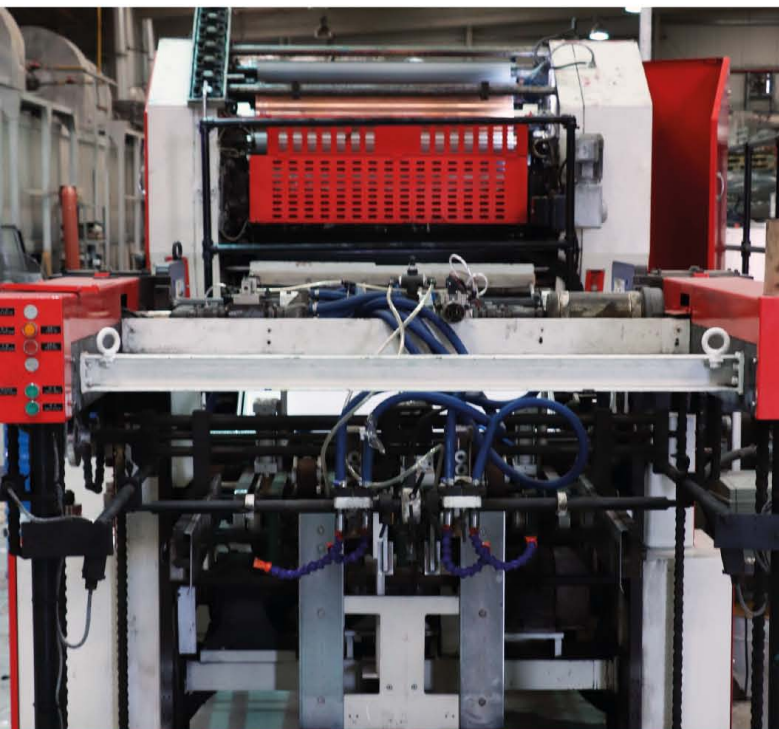

A clear concept that translates from our design to our product quality, which is why our design team ensures that the design and print quality is of highest standard as per the customers requirement. If needed, our design team also helps the customer to build a design around the theme or concept with a creative flare and attractive color schemes.

PRINTING

OCC has been recognized for its excellent and consistent print quality through many years owing to the usage of modern in-house CTP (computer-to-plate) machine and spectrophotometer. CTP ensuring the dimensional accuracy and spectrophotometer ensures the color accuracy is achieved during the printing process. A combination of these tools, strict quality processes and our skilled staff has been our strong forte in providing visually striking cans that make our customers products stand out with high quality visuals.

PRINTED TINPLATE

We also provide printed tinplate sheets across the globe for printed body & components. Our strong export customer base has been achieved by consistently providing quality and service that exceeds our customers standards and expectations.

COMPONENTS

We manufacture can components such as ST / DT / TT ring and lid, spout top, pail top, RLT (penny lever), dome top and bottoms of various sizes and configurations, thereby providing customers an integrated range of packaging solutions.
