

ISMAIL INDUSTRIES LIMITED

Astro Films

Flexible Packaging Films Manufacturer

BOPET | CPP | BOPP

Complying to the highest quality, process and food safety standards, **Astro Films** possesses certifications including **ISO 9001:2015** and **FSSC 22000 Version 5**. We are proud of our manufacturing capabilities, sales force excellence and accomplishments which have enabled us to become one of the most competitive and fastest growing exporters of flexible packaging films in the region. Our international customer base spanning from the Americas to Europe, Africa and Asia is a testament to our truly global footprint as a packaging films supplier. Our competitive advantage in international markets has been the ability to supply the best quality film backed up by excellent solution-based sales support and after sales service; creating sustainable business and a strongly established image of reliability.
