

CHEMICAL AND PHARMACEUTICAL INDUSTRY

ODECA

PRODUCTS CATEGORIES

- **AISI304 Stainless steel Platforms with 4 load cells**
- **AISI304 Stainless steel Platforms with 4 load cells with liftable loading plate**
- **AISI304 Stainless steel Platforms with 4 load cells with low profile**
- **AISI304 Stainless steel Platforms with single point load cell**
- **AISI316 Stainless steel weighing platforms**
- **Atex approved weighing systems**
- **Laboratory precision scales**
- **Weighing kit for silos and tanks**
- **Mobile weighing systems**
- **Application software for PC**

OUR PRODUCTS

ODECA

• PIONEER	5	• PFA INOX	17
• PR	6	• PFA INOX IP69K	18
• ADVENTURER	7	• 2001/4C	19
• NAVIGATOR	8	• 2001ISP	20
• SCOUT SKX	9	• 2001ISP IP69K	21
• SCOUT STX	10	• 960/4C	22
• MB23	11	• 960P/4C	23
• MB27	12	• 960P ISP	24
• CR	13	• 960P ISP 69K	25
• CX	14	• PP	26
• MLC	15	• WB	27
• 940CC	16	• T/4C	28

OUR PRODUCTS

•ITP	29
•ITP ATEX 1-21	30
•ITP ATEX 2-22	31
•SM 300	32

•PC FORMULA	37
•ES900X	38

PIONEER

Analytical and precision laboratory scale

Find out more
about the
product on
odeca.it

PR

Analytical laboratory scale

Find out more
about the
product on
odeca.it

ADVENTURER

Precision laboratory scale

Find out more
about the
product on
odeca.it

NAVIGATOR

Digital precision scale with infrared sensors

Find out more
about the
product on
odeca.it

SCOUT SKX

Precision portable scale with wide Stainless steel weighing plate

Find out more
about the
product on
odeca.it

SCOUT STX

Portable precision scale with wide Stainless Steel weighing plate

Find out more
about the
product on
odeca.it

MB23

Moisture analyzer

Find out more
about the
product on
odeca.it

MB27

Humidity analyzer with halogen heating

Find out more
about the
product on
odeca.it

CR

Compact portable scale

Find out more
about the
product on
odeca.it

CX

Compact portable scale

Find out more
about the
product on
odeca.it

MLC

Single point weighing platform
CE Approved

Find out more
about the
product on
odeca.it

940CC

Single point weighing platform
CE Approved

Find out more
about the
product on
odeca.it

PFA INOX

**AISI304 Stainless steel IP68 four load cells
weighing platform - CE Approved**

Find out more
about the
product on
odeca.it

PFA INOX IP69K

AISI304 Stainless steel IP69K four load cells
weighing platform - CE Approved

Find out more
about the
product on
odeca.it

2001/4C

Weighing platform with 4 load cells
CE Approved

Find out more
about the
product on
odeca.it

2001SP

AISI304 Stainless steel weighing platform with
4 stainless steel IP68 load cells and loading plate
liftable with stainless steel gas spring - CE Approved

Find out more
about the
product on
odeca.it

2001SP IP69K

AISI304 Stainless steel weighing platform with 4 stainless steel IP69K load cells and loading plate liftable with stainless steel gas spring - CE Approved

Find out more
about the
product on
odeca.it

960/4C

Weighing platform with 4 load cell with integrated pit frame and heavy duty structure - CE Approved

Find out more
about the
product on
odeca.it

960P/4C

Low profile weighing platform with two access ramps - Height 50 mm - CE Approved

Find out more
about the
product on
odeca.it

960P ISP

AISI304 Stainless steel weighing platform with
4 stainless steel IP68 load cells and loading plate
liftable with stainless steel gas spring - CE Approved

Find out more
about the
product on
odeca.it

960P ISP 69K

Stainless steel low profile weighing platform
with 4 IP69K load cell liftable with AISI316L gas
pistons

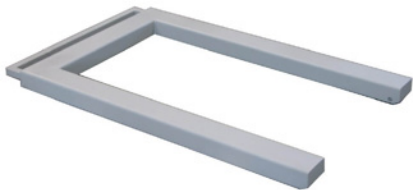

Find out more
about the
product on
odeca.it

PP

Weighing pallet scale with four load cells
CE Approved

Find out more
about the
product on
odeca.it

WB

Weighing bars - CE Approved

Find out more
about the
product on
odeca.it

T/4C

Weighing structure with 4 load cells suitable
for tanks and silos - CE Approved

Find out more
about the
product on
odeca.it

ITP

Pallet truck scale with 4 load cells and Zinc Plated steel structure ; Stainless steel digital weight indicator with red led display and numeric keyboard

Find out more
about the
product on
odeca.it

ITP ATEX 1-21

Pallet truck scale with 4 load cells , stainless steel forks and weight indicator ATEX Approved for Zone 1,21

Find out more
about the
product on
odeca.it

ITP ATEX 2-22

Pallet truck scale with 4 load cells , stainless steel forks and weight indicator ATEX Approved for Zone 2,22

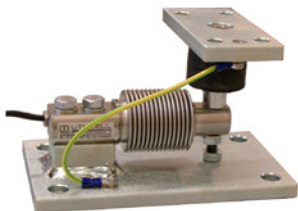

Find out more
about the
product on
odeca.it

SM 300

Mounting kit for bending beam load cells

Find out more
about the
product on
odeca.it

SM 3410

Mounting kit for shear beam load cells

Find out more
about the
product on
odeca.it

SM 65023H

AISI304 stainless steel loading kit
for shear beam load cells

Find out more
about the
product on
odeca.it

SME

Loading kit for low profile compression load cells

Find out more
about the
product on
odeca.it

LA900X

Alphanumeric digital weight indicator
with stainless steel case - CE Approved

Find out more
about the
product on
odeca.it

PC Formula

Application Software for batch dosage
with formulas

Find out more
about the
product on
odeca.it

ES900X

Atex approved industrial scales
for Zone 1,21 - 2,22

Find out more
about the
product on
odeca.it
