### **Our Core Values**

- Customer satisfaction
- Quality
- Safety
- Sustainability
- Commitment

# PRODUCT RANGE

## Conveyors

**Rotary-Table**

**Frozen Block Meat Elevating Conveyor**

**PVC Belt Conveyor**

# PRODUCT RANGE

## Conveyors

**Vibrator Conveyor**

**Wire Belt Conveyor**

# PRODUCT RANGE

## Conveyors

**Wire-Belt-Curve-Conveyor**

**Z Type Conveyor**

# PRODUCT RANGE

## Grinders

**Fresh meat Grinders**

**Frozen meat blocks Grinders  
(-25°C)**

**Skins Grinders**

**Frozen meat Grinders  
(-10°C)**

**Speed Mixers Grinders angle**

# Mixers

**One- level mixers**

**Two-level mixers**

**Two-level mixers vacuum**

**Speed Mixers grinders angle**

## Flakers, smoke chamber and Lifting devices

**Speed Flakers**

**Smoke Chambers**

**Lifting devices**

## Cutters and Silos

**High-speed cutters**

**High-Speed Cutters Vacuum  
(-25°C)**

**Micro-cutters**

**Giraffe Silos**

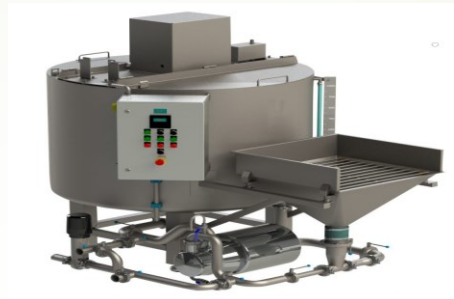

**Silos**

## **Injectors, Brine preparation, Portioning device and Giraffes – worm conveyors**

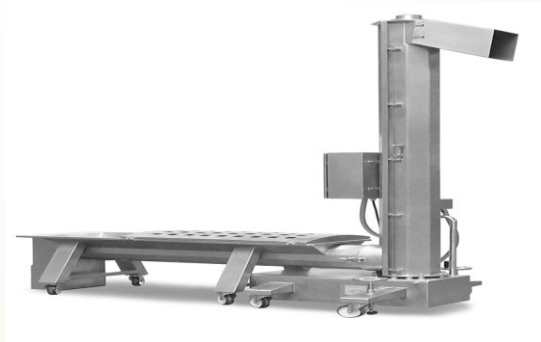

**Injectors**

**Brine Preparation**

**Portioning device**

**Giraffes – worm conveyors**

## **Tumblers and filler**

**Vacuum tumblers cooling**

**Meat Tumblers**

**MDF Tumblers**

**GTB Tumblers**

**GBT Trolley Tumbler**

**Speed Filler Vacuum**

## Packaging Machines

**Vertical Packing  
(4 Types of Closed Packets)**

**900 Revolving Carriages  
(Large Range of Packages)**

**Modified Packaging  
100 Packs per Minute**

**Horizontal Packing  
3 Slides Seal**

**Horizontal Packing  
3 Slides Seal**

**For Food Consumed in  
More Than One Stage**

## **Packaging Machines / Tray Sealer Machine & Thermo-Former Machines**

**Horizontal Packing  
Tight Seal**

**Horizontal Packing  
Automatic Adjustment of Packaging Length**

**Tray sealer**

**Thermo-Former**

## Automatic Food Seaming Machines

**Seamers for Round Can**

**Seamers for Round Stationary Can**

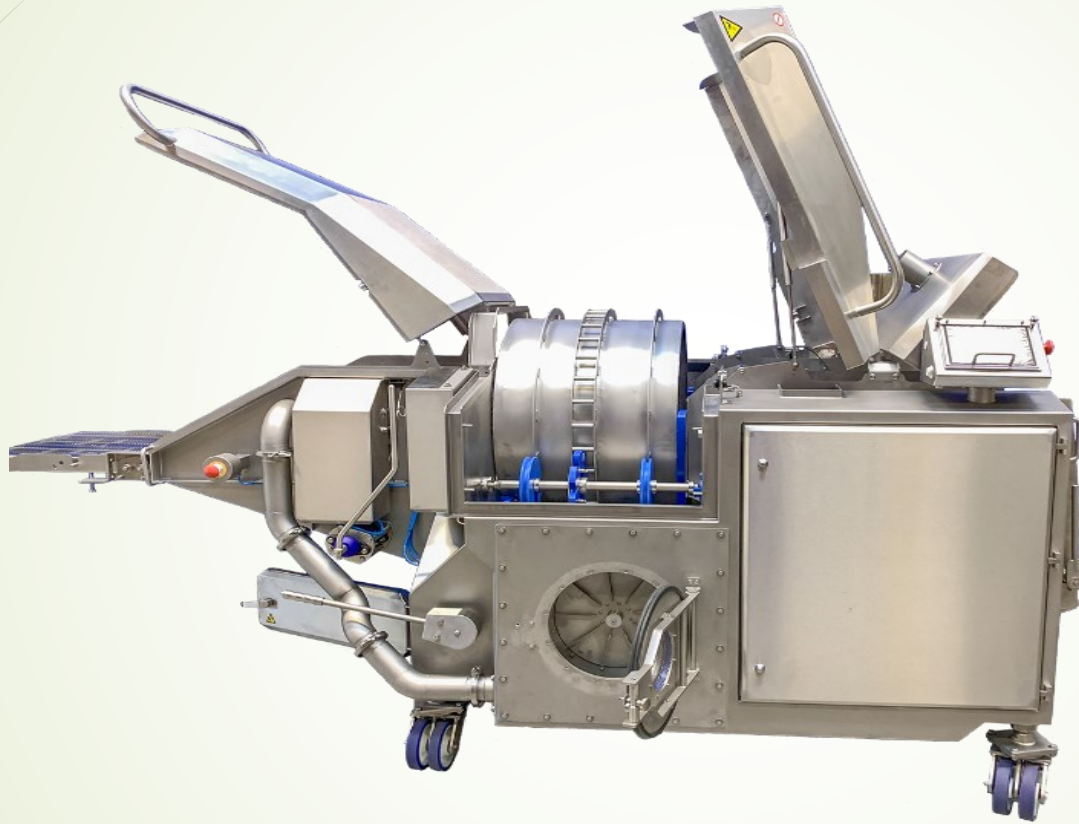

**Seamers for Irregular Can**

**Fillers / Dispensers**

## Combi Coater Machine

## Washing machines

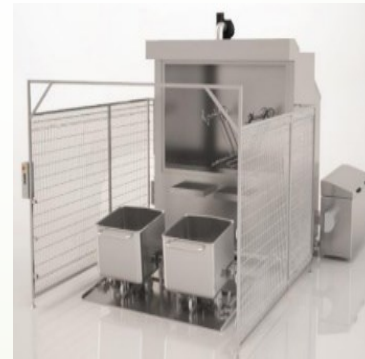

**For tumblers**

**For Buggy OR Container**

**For Buggy only**

**For 2 small Buggy OR one big Buggy OR one Container**

## **Washing machines**

**For pallets**

**Rack Washing Machine**

**Through Rack Washing Machine**

**Washing Machine for box**  
**Available in Different capacities**

## Hand Washing Disinfection machines

**Turnstile**

**Hand Disinfection**

**Hand Disinfection with Turnstile**

**Washing & Hand  
Disinfection with Turnstile**

**Sensor-Operated Sink**

**Basin With Knee Valve**

## Hand Washing Disinfection machines

**Basin with Knee Ventil**

**Basin with Knee Valve**

# Lifting, Tilting, Swing Loader, Emptying and Unloading Machines

**Vacuum For Buggy Left Or Right Execution  
Available in Different & Adjustable Tilting  
Heights**

**For Lifting & Tilting of Mobile  
Containers**

**Lifting & Tilting Euro-Crates**

**Lifting & Tilting With Double  
Column**

## Lifting, Tilting, Swing Loader, Emptying and Unloading Machines

**For Lifting & Tilting of Buggies  
in Vacuum Filler Machine**

**Swing Loader for Buggy**

**Lifting & Tilting of One, Two Plastic Barrels**

**Swing Loader for Container**

## Lifting, Tilting, Swing Loader, Emptying and Unloading Machines

**Swing Loader For Buggy & Container**

**For Lifting & Emptying Of Containers**

**Swing Loader For Buggy & Container**

**Turning Machine for Special Vessels**

# Lifting, Tilting, Swing Loader, Emptying and Unloading Machines

**Hoist For Tab-Container**

**Lifting & Turning Machine  
For Special Vessel**

## **Cleaning & Degreasing Machines**

**For Small Components**

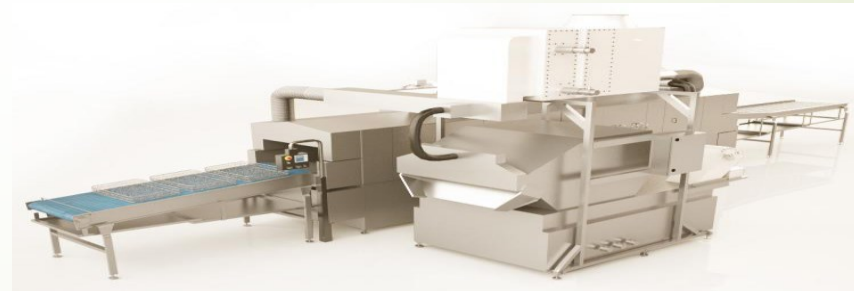

**Hand  
Disinfection**

**High Pressure  
For Small Components**

**For Small Component  
in Plastic Box**

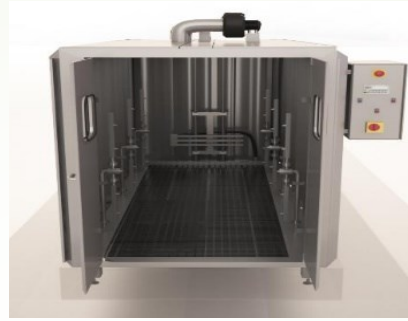

**For Small Components  
(Washing & Blowing Pass-Through)**

## **Cleaning & Degreasing Machines**

**For Bearing Bracelets**

**For Cylindrical Parts**

**For Engine Block**

**Vacuum Drying Installation**

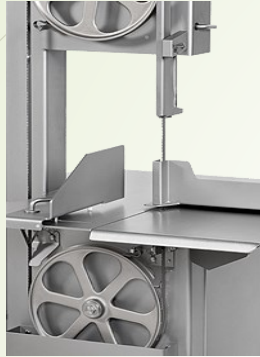

**For KLT Crates  
(Pass-through)**

**For KLT Crates for  
Automotive Industry**

## **Bandsaws, Food Slicers & Meat Mincers (Grinders) Machines**

**Bandsaws**

**Meat Mincers (Grinders)**

**Food slicers**

## Sausage Fillers / Stuffers, Manual sausage filler

**Sausage Fillers / Stuffers**

**Manual sausage filler**

**Twist Linker**

# Kneader Mixers, Mixer grinders (Mincer Mixers), Bowl Cutters / Choppers Machines

**Kneader Mixers**

**Mixer Grinders (Mincer Mixers)**

**Bowl Cutters / Choppers**

## Manual Burger / Meatball Formers, Automatic Hamburger Machines

**Manual Burger / Meatball Formers**

**Automatic Hamburger Machines**

## High Performance Tools For Meat & Food Industry

**Knife 4-bladed**

**Knife 6-bladed  
serrated**

**Ring knife 4/4**

**Safety distance  
ring knife**

**Knife holder**

**Plate  
(standard)**

**Separating plate  
lateral**

**Twin plate**

**Plate - to suit  
WEILER**

**Separating plate**

## High Performance Tools For Meat & Food Industry

**Supporting Star**

**Distance Rings**

**Bearings**

**Knife shafts**

**Auto- pneu  
separating system**

**Bowl Cutter  
Knife**

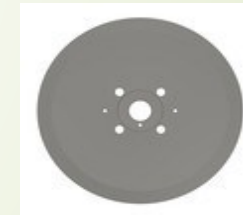

**Bowl Cutter  
Knife**

**Injector  
Needle**

**Slicer Knife**

**Circular Knife**

## Premium clips and loops for food casings

Our company provides premium clips and loops for food casings, designed to ensure smooth, efficient production

Key features:

**Durability:** Engineered to withstand high-pressure sealing.

**Versatility:** Ideal for a wide range of casings

**Efficiency:** Minimize waste, prevent leakage, and enhance production speed

**Safety:** Crafted from food-grade materials, meeting the strictest standards.

Trusted by food processors across Europe, our solutions deliver seamless packaging and cost-effective performance.
