Aromatic ingredients

A story that begins in the first postwar period

SACMAR was born in 1947 in Milan, as a commercial company of essential oils, primarily of Mentha Piperita, cultivated then as now in the fruitful Turinese Po valley.

It soon became a processing company and in the following years SACMAR enlarged its horizons thanks to the excellence of its products and its financial strength.

Yesterday as today we work daily to stimulate your senses.
SACMAR combines the tradition of our territory through the global discovery of new raw materials, creating a perfect combination of technology, tradition and creativity, producing authentic, unalterable and optimized flavours for each application by concentrating

The world in a drop
