L'ALTERNATIVE GOURMANDE

Our Vinaigrerie installed in the Périgord since 1995. It is the **Maelie** brand that we carry internationally for the distribution of our fine vinegars worldwide.

Our core business is the **manufacture, development and marketing** of vinegars whose raw materials come from our terroir.

The alliance between tradition and modernity is our main concern to perpetuate this love of gastronomy for more than two centuries.

For your gourmet recipes, you can use our fine vinegars for **deglazing, marinating, aromatizing or seasoning**. Our large range of vinegars allow you to create recipes and original seasonings which are always popular.
