

FRÖTZ

FRUIT PURÉE

A range of fruit purees ready to inspire.

At FROTZ®, we know that every step in the process of our products is important to achieve the best result. Therefore, we put all our experience and knowledge from the start, looking for the best origin of our fruits and selecting them at their optimum moment, achieving the quality that our customers deserve without colourings or additives.

Pip and bone

We have carefully selected the best fruits from Spanish orchards to create an exceptional range of purees that bring out the perfect point of maturity and the natural colour of the fruit, 100% natural.

These frozen fruit purees are ideal for the preparation of a wide variety of ice creams, pastries and confectionery products.

Coulis

Designed to give a final touch to your presentations, to garnish a dish with precision, or to add a detail to a dessert. We have prepared a red fruit coulis with a perfect balance of colour and flavour, as well as mango and passion fruit coulis with no added flavourings, ready to use, and in a flexible plastic bottle which, thanks to its dosing tip, allows you to make precise measurements to decorate your desserts or ice creams.
