SPECIALITY GLASS COLLECTION

# Decoration

## CAPABILITIES

Enhance your premium products with AGI Glaspac's exceptional decoration capabilities. Our state-of-the-art techniques transform your specialty bottles into captivating works of art. Our expertise allows for multiple decoration processes to be applied to a single bottle, creating truly customized and stunning packaging.

Spray Coatings (Gloss / Matt / Frosted) | Partial Masking & Coating | Sleeving | Lacquering  
Applied Ceramic Labels (ACL) | Decals | Printing | Hot Foiling | Frosting/Acid Etching

# Liquor BOTTLES

Our distinctive glass bottles are the epitome of sophistication, perfect for storing and showcasing fine liquors. With elegant shapes and finishes, these bottles not only protect the quality of the spirit inside but also serve as striking decorative elements for your bar or kitchen. Ideal for collectors and connoisseurs alike.
