Innovation & Manufacturing Excellence

Cutting-Edge Manufacturing

Crafting Sustainability

AGI Greenpac is a pioneer in sustainable packaging, with a legacy spanning over five decades. From humble beginnings in glass manufacturing, we've evolved into a diversified packaging solutions provider, encompassing glass, plastic, and closures.

Our commitment to environmental stewardship is deeply ingrained in our DNA. Through continuous innovation and cutting-edge technology, we create eco-friendly packaging solutions that meet the demands of today's conscious consumers.

With a strong foundation built on expertise and experience, AGI Greenpac is more than just a manufacturer; we are partners in your sustainability journey.

Why Choose Agi Retail?

The AGI Retail Advantage Unpacked

Choosing a retail partner is critical.

For glass and PET products, Agi Retail offers a compelling proposition built on distinct advantages.

Manufacturing Strength: Backed by AGI Greenpac's vast, advanced production capabilities, Agi Retail ensures efficient, high-volume manufacturing with cutting-edge technology and robust capacity to meet your demands.

Reliability: Leveraging AGI's established logistics and robust supply chain, Agi Retail ensures consistent and timely delivery, minimizing disruptions for seamless operations.

Assured Quality: Decades of expertise and stringent quality control from AGI Greenpac guarantee consistently high-performing, defect-free products, fostering reliability you can trust.

Innovation: Gain access to AGI Greenpac's R&D and design capabilities, enabling potential customization and keeping your packaging at the forefront of the industry.

Diverse Portfolio: Agi Retail offers a wide range of glass and PET products in various forms, meeting diverse retail needs and aligning with current market trends.

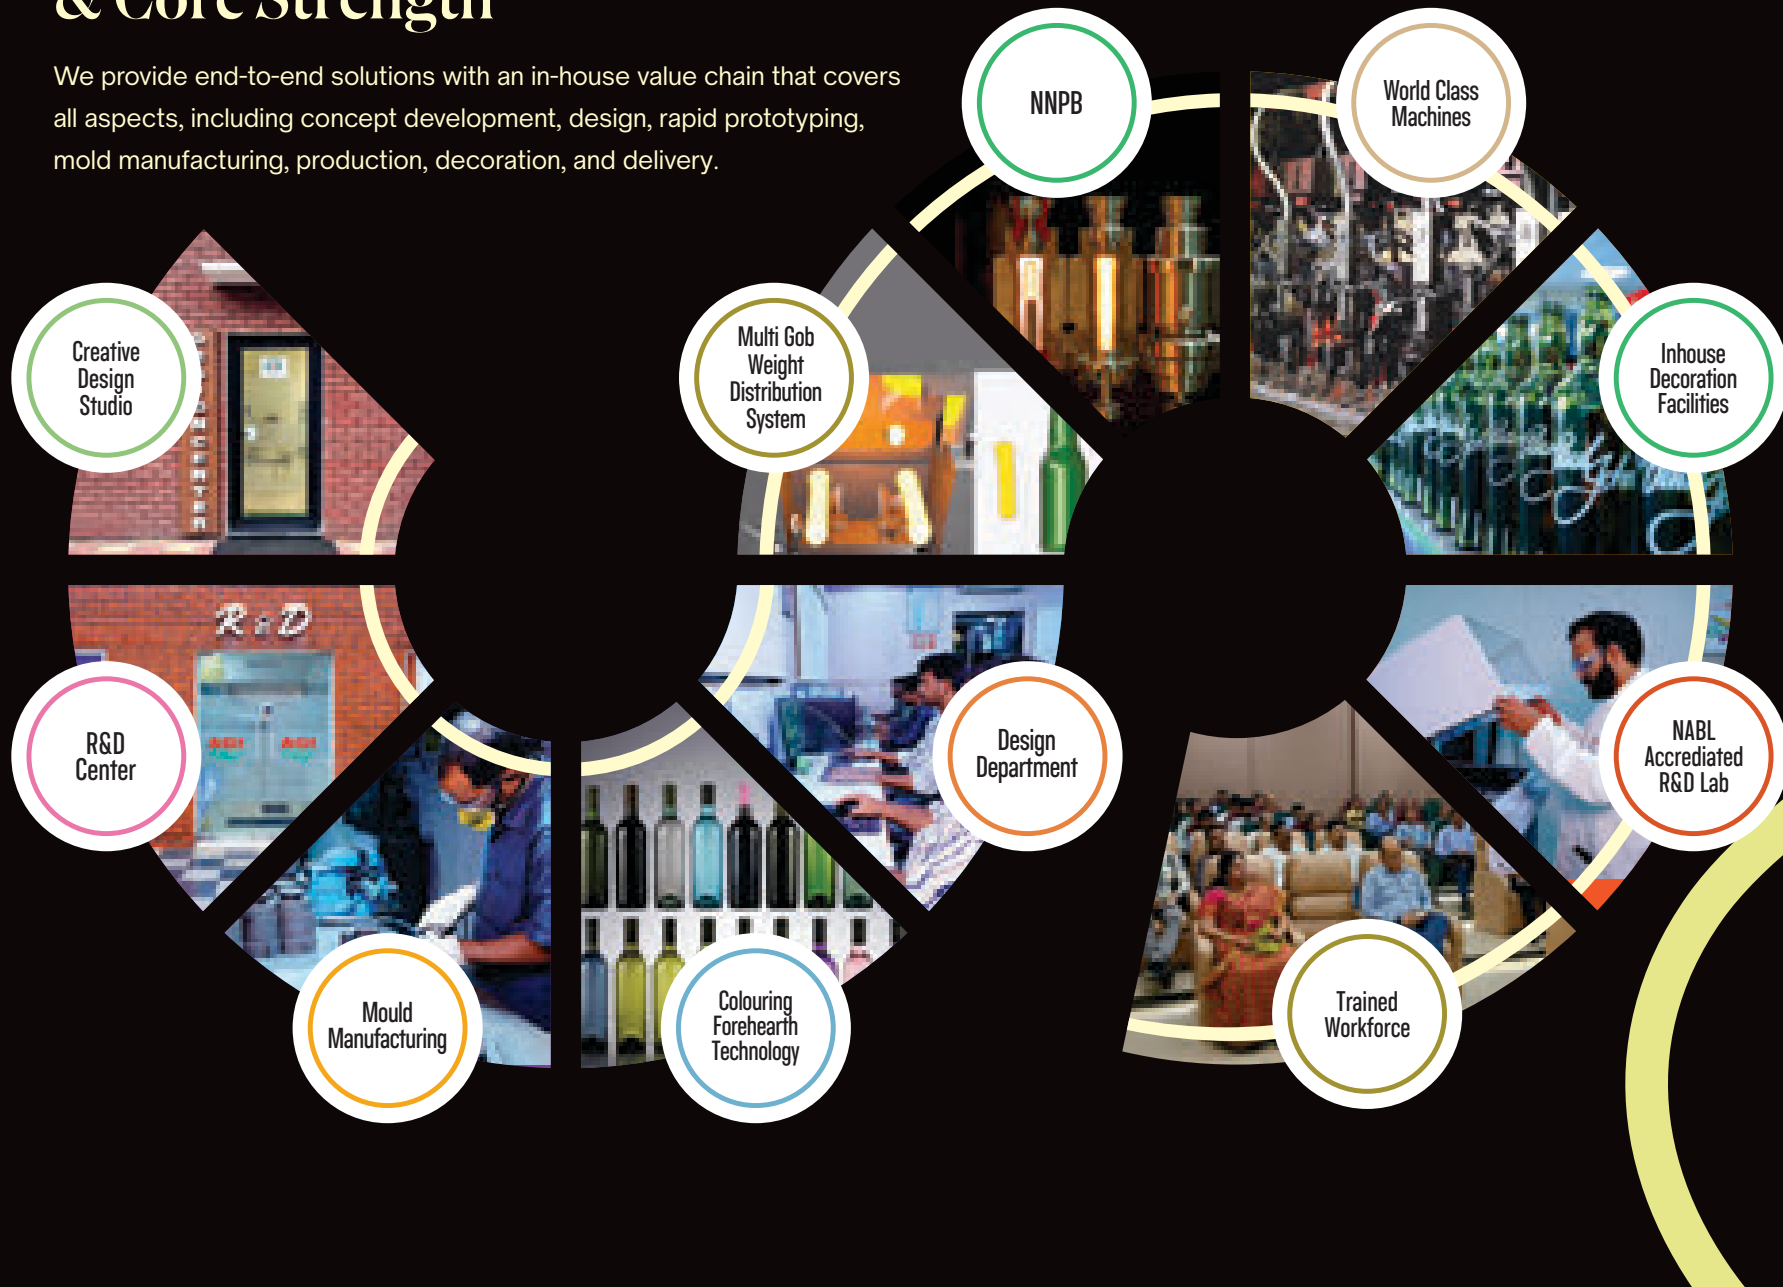

Competitive Edge: Agi Retail provides high-quality products at competitive value, enhancing your brand perception and driving operational efficiencies and cost savings.

- In essence, AGI Retail is a strategic ally, offering manufacturing excellence, unwavering quality, diverse offerings, unparalleled reliability, innovative spirit, and competitive value, all contributing to your long-term success.

Manufacturing Excellence & Core Strength

We provide end-to-end solutions with an in-house value chain that covers all aspects, including concept development, design, rapid prototyping, mold manufacturing, production, decoration, and delivery.

Quality & Certifications

AGI Greenpac is dedicated to delivering the highest quality glass packaging solutions while upholding stringent environmental and safety standards. Our commitment to excellence is reflected in our comprehensive certification portfolio across all our manufacturing facilities.

Glass Bottles

1000 ml, 800 ml & 500 ml

AG1/201/1365 - 500ml

Product Code: CF030013650000D2WT

Type	Water Bottle
Shape	Round
Weight (g)	300
BFC (ml)	520
Height (mm)	236
Diameter	66
Neck Finish	28mm MCA-2

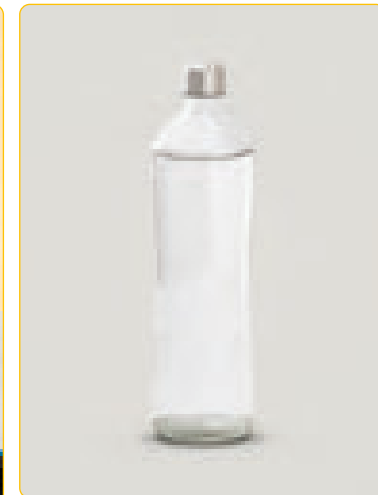

AG1/201/1269 - 700ml

Product Code: CF075012690000D2WT

Type	Water Bottle
Shape	Round
Weight (g)	430
BFC (ml)	810
Height (mm)	271.5
Diameter	76
Neck Finish	38mm SPECIAL

Colour: Flint, Material: Transparent Glass

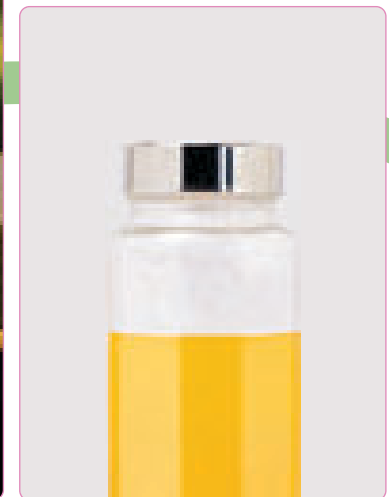

- This 500ml water bottle is uniquely designed for easy handling.
- It comes with spill-proof Round Cap which is easy to use.

AG1/204/505

Product Code: CF100005050000D2WT

Type	Water Bottle
Shape	Round
Weight (g)	520
BFC (ml)	940
Height (mm)	258
Diameter	77.8
Neck Finish	GPI 53-400

Colour: Flint, Material: Transparent Glass

- This 500ml water bottle is uniquely designed for easy handling.
- It comes with spill-proof Round Cap which is easy to use.

AGI/204/514

Product Code: CF100005050000D2WT

Type	Water Bottle
Shape	Round
Weight (g)	440
BFC (ml)	875
Height (mm)	273.7
Diemetere	78.5
Neck Finish	38mm SPECIAL

Colour: Flint, Material: Transparent Glass

- This water bottle is uniquely designed for easy handling.
- It comes with spill-proof Round Cap which is easy to use.

AGI-R/201/1283

Product Code: CF100012830402D2WT

Type	Water Bottle
Shape	Round
Weight (g)	550
BFC (ml)	1018
Height (mm)	308
Diemetere	85.7
Neck Finish	CLIP TOP

Colour: Flint, Material: Transparent Glass

- This water bottle is uniquely designed for easy handling.
- It comes with spill-proof Clip-Top Cap which is modern, trendy & easy to use.

AGI-R/201/1282

Product Code: CF100012820000D2FD

Type	Water Bottle
Shape	Round
Weight (g)	440
BFC (ml)	1034
Height (mm)	264
Diemetere	87
Neck Finish	TO 43 GME 20-03

Colour: Flint, Material: Transparent Glass

- This bottle is uniquely designed for easy handling.
- Perfect for storing beverages.
- It comes with Round Cap which is easy to use.

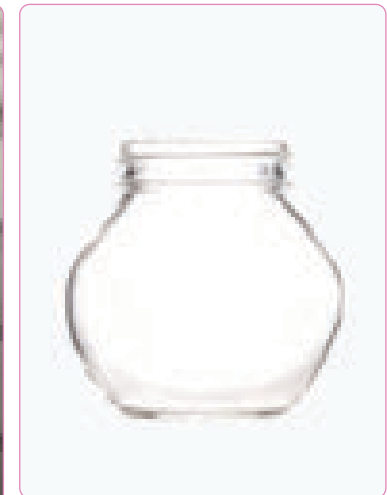

Food Jar

AG1/204/505

Product Code: CF020013980000R2JA

Type	Food Jar
Shape	Round
Weight (g)	157
BFC (ml)	200
Height (mm)	81.5
Diameter	80
Neck Finish	Special

Colour: Flint, Material: Transparent Glass

- This Food Jar is uniquely designed for easy handling.
- It comes with Special Round Cap which is easy to use.

AGI/201/1492

Type	Food Jar
Shape	Hexagon
Weight (g)	220
BFC (ml)	200
Height (mm)	93
Diameter	72
Neck Finish	Special

Colour: Flint, Material: Transparent Glass

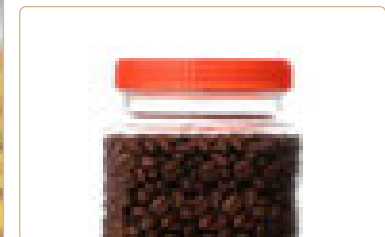

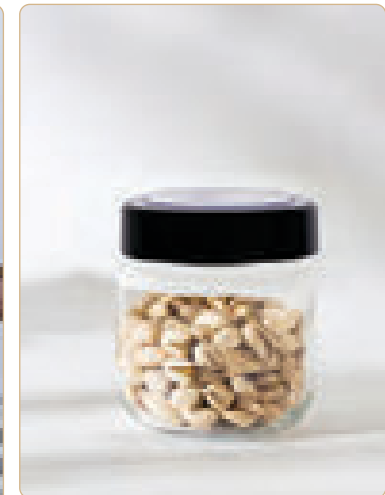

- This Hexagon Food Jar is uniquely designed for easy handling.
- It comes with special Round Cap which is easy to use.

AG1/201/1395

Product Code: CF050013950000D2FD

Type	Food Jar
Shape	Round
Weight (g)	290
BFC (ml)	562
Height (mm)	103
Diameter	97.8
Neck Finish	SPECIAL

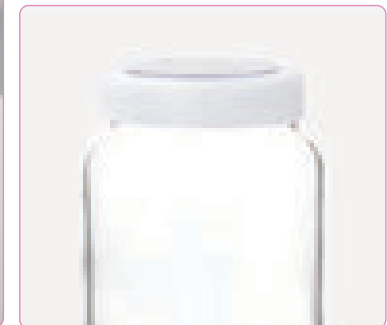

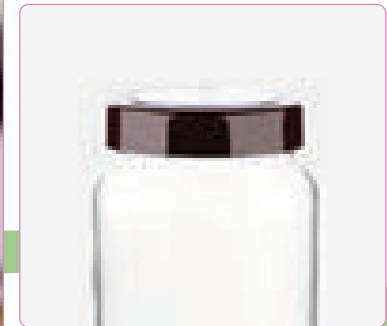

Colour: Flint, Material: Transparent Glass

- This Food Jar is uniquely designed for easy handling.
- It comes with special Round Cap which is easy to use.

AG1/201/1393

Product Code: CF075013930000D2JA

Type	Food Jar
Shape	Round
Weight (g)	420
BFC (ml)	845
Height (mm)	141
Diemetere	100.5
Neck Finish	Special

Colour: Flint, Material: Transparent Glass

- This Food Jar is uniquely designed for easy handling.
- It comes with special Round Cap which is easy to use.

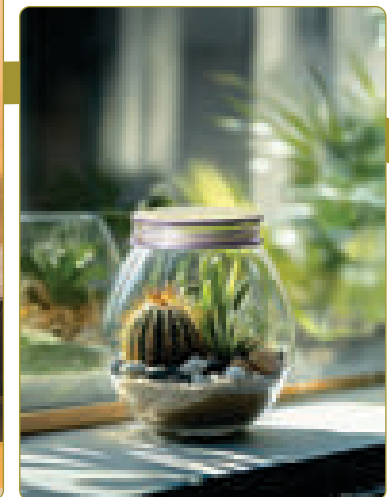

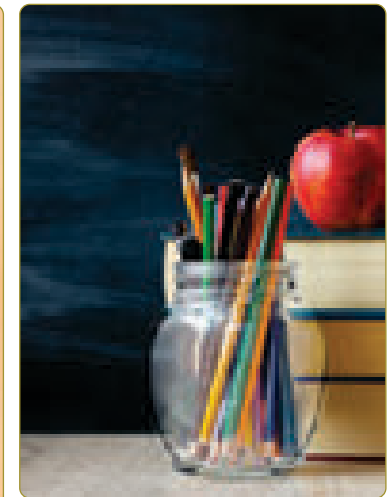

AGI/201/1398

Type	Food Jar
Shape	Round
Weight (g)	157
BFC (ml)	206
