

Bake beyond the Boundaries

www.grainngrace.co

Grain 'N' Grace, backed by professionals with more than a decade's experience in the Bakery & HORECA industry; develops, manufactures and markets innovative and quality bakery ingredients offering exceptional performance and delightful end Customer experience. We have been a stellar performer in the baking industry for more than 4 years. Over this short period of time, we have received love, adulation, approval as well as accolades and awards which endorse the superior quality of our innovative products. Led by creativity, our Product Innovation Department ensures to use cutting edge technology in developing new products and customer friendly processes to bake the best delicacies.

We harness the tremendous potential of cutting edge technology to develop novel products and design processes that ensure ease-of-use for our customers.

Our motto is to exceed the customer expectation through quality consciousness and consistency. Aspiring to become a global brand, we constantly strive hard to discover and implement new baking ideas. We include carefully selected ingredients to establish a brand which values honesty that brings reliability. We are offering expertise to retail, industrial and artisanal bakers. Baking is an art that requires the right ingredients, we at Grain 'N' Grace make sure to fulfil this.
