RAJAEI Pistachio Group

Pistachios are our specialty.

Rajai Pistachio Group, by being present in the heart of Iran's pistachio mines and taking advantage of the privileged geographical location of Kerman Province, has been able to achieve a special position in the supply and processing of pistachios and is today known as one of the reputable names in this industry nationwide and even in the Middle East.

About us

With more than 20 years of professional experience, Rajai Pistachio Group has the honor of cooperating with more than 70 cities in Iran and being a sales agent in Oman and Kuwait. The group has also had continuous cooperation with major Iranian food industry factories, including Aydin Chocolate.

Membership in the Kerman Chamber of Commerce, Vice Chairman of the Educational Commission of the Kerman Guilds Union, and membership in the Iranian Pistachio Association are among the honors of this group, which indicate our professional credibility and support.
