ABOUT US:

GNS Pakistan's Dates Factory is ideally located in Therhi Town, District Khairpur of Sindh Province, the largest dates-producing area in Pakistan. GNS Pakistan possesses FSSC22000, ISO9001:2015, ISO22000:2018, and HACCP certifications for its Dates Processing Facilities. Additionally, GNS Pakistan holds certification as a supplier of ORGANIC DATES, meeting EU and USDA-NOP standards.

GNS Pakistan's head office is situated in Clifton, Karachi, Pakistan. GNS Pakistan is primarily engaged in the business, trade, and manufacturing of date fruit-related products, including pitted dates, diced dates, dehydrated dry yellow and red/black dates, date paste, date sugar, date powder, and other food products.

As a family-owned firm, GNS Pakistan benefits from the extensive experience of its sponsors in fields such as trade, banking, law, food technologies, and agriculture. The firm operates professionally with valuable input and sound strategic direction from its sponsors. Additionally, the sponsors own Dates Farms, comprising hundreds of date palms located in Therhi District Khairpur of Sindh Province, producing high-quality organic dates of the Aseel variety.

GNS Pakistan consistently demonstrates a forward-thinking approach while maintaining a strong connection to tradition, prioritizing excellent quality in products and associated services. The firm is dedicated to ongoing development and optimization, ensuring clients receive the best possible quality at all times.

GNS Pakistan is committed to maintaining core values in business operations, emphasizing utmost integrity, trust, and loyalty.
