## GREEN FACTORY - HEALTHY PRODUCTS

**3 Seasons Fruit** is a leading manufacturer of high quality frozen, freeze dried, and freeze dried fruits and vegetables powder, manufactured using modern technology and strict quality control standards. We source our raw materials through direct collection from contract farming partners through our regional branch stations in Eastern and Southern Thailand, complemented by the harvests from our own farm. This integrated sourcing model allows us to uphold stringent quality standards, ensuring the consistent supply of fresh, premium grade produce for all stages of our production process.

Our products are certified, including **BRCS, HACCP, ISO 22000, GMP, HALAL, KOSHER, SMETA, EU and NOP-COR (USDA) ORGANIC**, reflecting our commitment to the highest standards of safety and quality.

Our head office is located in Bangkok, with branch offices in China and the United States. We provide global support and service to clients across key markets. We proudly export our products worldwide, offering flexible packaging solutions — from **Retail** and **Bulk** to **OEM** — tailored to meet your business needs.
